Applied Public Relations Case Studies And Problem Solving:

Applied Public Relations Larry F. Lamb, Kathy Brittain McKee, 2005 This casebook addresses the major issues in public relations with an orientation toward management functions It examines key functions of PR and recounts real experiences of PR practitioners For advanced PR and PR case studies courses

Introduction to Public Relations Janis Teruggi Page, Lawrence J. Parnell, 2024-12-05 Introduction to Public Relations Strategic Digital and Socially Responsible Communication presents a comprehensive introduction to the field of public relations examining its current practices and future directions In response to the dynamic shifts in technology business and culture authors Janis T Page and Lawrence J Parnell illustrate how today s PR professionals craft persuasive messages using modern technologies while working in line with the industry s foundations The text skillfully balances this approach by delving into communication theory history processes and practices demonstrating how these elements can be integrated into strategic public relations planning Page and Parnell guide students toward becoming socially responsible communicators where fostering trust and respect with diverse communities is valued over creating the next viral campaign The Third Edition responds to the rising focus on social responsibility sustainability CEO and investor activism and consumer demand for ethical brands and addresses these changes with updated content including new features recent examples case studies and chapter opening scenarios

Introduction to Strategic Public Relations Janis Teruggi Page, Lawrence J. Parnell, 2017-11-30 Winner of the 2019 Most Promising New Textbook Award from the Textbook Academic Authors Association TAA Introduction to Strategic Public Relations Digital Global and Socially Responsible Communication prepares students for success in today s fast changing PR environment Recognizing that developments in technology business and culture require a fresh approach Janis T Page and Lawrence Parnell have written a practical introductory text that aligns these shifts with the body of knowledge from which the discipline of public relations was built Because the practice of public relations is rooted in credibility the authors believe that students must become ethical and socially responsible communicators more concerned with building trust and respect with diverse communities than with creating throwaway content The authors balance this approach with a focus on communication theory history process and practice and on understanding how these apply to strategic public relations planning as well as on learning how to create a believable and persuasive message A Complete Teaching Learning Package SAGE Premium Video Included in the interactive eBook SAGE Premium Video tools and resources boost comprehension and bolster analysis Learn more Interactive eBook Includes access to SAGE Premium Video multimedia tools and much more Save when you bundle the interactive eBook with the new edition Order using bundle ISBN 9781544331584 Learn More SAGE coursepacks FREE Easily import our quality instructor and student resource content into your school s learning management system LMS and save time Learn more SAGE edge FREE online resources for students that make learning easier See how your students benefit
