Want to Be Rich ABDUL AHAD, 2026-01-17 Most people work hard earn an income and still feel financially stuck not because they lack ambition or intelligence but because they were never taught how money actually works in a structured and repeatable way Without a clear system financial decisions are made emotionally progress feels slow or nonexistent and long term security remains uncertain no matter how hard someone tries Want to Be Rich was written to change that reality by providing a complete practical framework for building wealth deliberately and sustainably Rather than offering motivation without direction or complicated theories that only work for a few this book breaks wealth creation into clear manageable steps that anyone can follow regardless of their current financial situation In this book Abdul Ahad presents a proven wealth building system built on three essential pillars earning more saving smarter and investing wisely Each pillar is explained in depth and connected to real life decisions people face every day from managing debt and expenses to increasing income and making confident investment choices The focus throughout the book is on clarity consistency and long term results rather than shortcuts or speculation Readers will learn how to identify and eliminate financial habits that quietly hold them back create systems that automate good money decisions and build income streams that grow over time The book also explains investing in a simple approachable way helping readers understand risk diversification and long term growth without overwhelming jargon or unnecessary complexity This is not a book that expects perfection or drastic lifestyle changes Instead it shows how small disciplined actions when applied consistently through the right system can lead to significant financial progress Whether someone is living paycheck to paycheck rebuilding after financial mistakes or aiming to strengthen an already stable foundation the strategies in this book are designed to meet them where they are and move them forward with confidence Want to Be Rich is ultimately about control freedom and peace of mind It is about replacing financial stress with clarity and replacing uncertainty with a plan that works in the real world By following the system outlined in these pages readers gain not only practical financial skills but also the confidence to take ownership of their financial future and build wealth on their own terms

PRINT YOUR OWN MONEY Anil Monga, PRINT YOUR OWN MONEY A Wellness Guide to Financial Freedom is a book which contains a perfect recipe for achieving success and creating money by leveraging a Giant invention called Internet Why this title Well the idea behind the coining of this title is to live like an Entrepreneur and create your own money It s 100% legal if you can print your money by developing a mind set of an Entrepreneur An entrepreneur is a person who creates money from thin air An idea transformed into money is the role of an entrepreneur An entrepreneur gets an idea believes firmly in it develops a desire to achieve it spells out a mission and vision generates to lead his team to achieve it An Entrepreneur has the courage to think differently An Entrepreneur creates jobs unlike employees who have a mindset of exchanging their time for money Presently the world we live in has fantastic opportunities to make money online Over 2 7 Billion users are connected to the internet and in the next decade the number

of users will almost match the physical population of earth Thousands of new products are being launched everyday world wide and the vendors need to advertise their products The fastest space of advertising is Internet The visibility of your product Jo Dikhta hai wo bikta hai is the key to success How can the new vendors promote their sales They do it directly or through affiliates There are millions of affiliates who are ready to promote the products and earn up to 75 % commissions Does this trigger your mind to think about the potential I m talking about Apart from promoting other people s products if you produce your own products and sell through millions of affiliates you re your own boss You can make money even when you sleep The next couple of decades will revolutionize our living in each and every sphere of our life Flying cars driverless cars bioengineering robots hi tech factories with no humans 3D printing 3D social sites Holographs digitized monuments and so many other revolutions will make our lives worth living People shall live 135 years or beyond on an average print their food for dinner watch holographs wherever they want to and use wearable tech gadgets to enjoy music videos latest information and so on When you are living in the Information Age you simply cannot ignore the power of internet The sooner you embark better chances of making passive income If you are able to create passive income you ll enjoy life fully as the worry of not having money or exchanging your time for making money will dissipate I m a big believer that wealth is not a number or an amount it s an attitude and the umbilical cord to attitude is gratitude You simply need to change your mindset to think differently and the fruits will be truly rewarding for you and your loved ones So fellows Print Your Own Money and become happy
