Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board, 1990

The Old German Baptist Brethren Charles D. Thompson Jr., 2010-10-01 Since arriving nearly 250 years ago in Franklin County Virginia German Baptists have maintained their faith and farms by relying on their tightly knit community for spiritual and economic support Today with their land and livelihoods threatened by the encroachment of neighboring communities the construction of a new highway and competition from corporate megafarms the German Baptists find themselves forced to adjust Charles D Thompson Jr s *The Old German Baptist Brethren* combines oral history with ethnography and archival research as well as his own family ties to the Franklin County community to tell the story of the Brethren s faith on the cusp of impending change The book traces the transformation of their operations from frontier subsistence farms to cash based enterprises connecting this with the wider confluence of agriculture and faith in colonial America Using extensive interviews Thompson looks behind the scenes at how individuals interpret their own futures in farming their hope for their faith and how the failure of religiously motivated agriculture figures in the larger story of the American farmer *California.
