## Calvin's Preaching:

**Calvin's Preaching**, 1992-01-01 A rare and important study offering a complete review of John Calvin's preaching activity, purpose, method, and style. Parker's work includes Calvin's theological considerations, expository methods, applications of Scripture to the needs of his congregation, and his views of the preacher's office, duty, and the congregation's active participation. Appendixes

John Calvin's Sermons on the Ten Commandments John Calvin, 2019-07-11 A collection of sixteen sermons by John Calvin that shed light on his understanding and application of the Ten Commandments. Widely known as one of the church's most significant theologians, John Calvin was also a skilled preacher with the ability to proclaim biblical truth with power and relevance. These sermons develop the essence of his teaching on the moral law in a popular and engaging manner. Pastors preaching through the Ten Commandments Bible, students, and anyone interested in Calvin's views on the Ten Commandments will take great delight in reading his exposition of the Decalogue, which is called the true and eternal rule of righteousness for all who wish to conform their lives to God's will.

**The Mystery of Godliness and Other Sermons** John Calvin, 2011-06-01 *A Selection of the Most Celebrated Sermons of John Calvin ...* Jean Calvin, Martin Luther, 1860 *Preaching Like Calvin* David W. Hall, 2010 Not only was John Calvin a magisterial theologian and one of the great transformative forces of modern history, he also was a consummate preacher who delivered over two thousand sermons in St. Pierre's Cathedral in Geneva, Switzerland, where he pastored from 1536 until his death in 1564. What better way to celebrate the 500th anniversary of Calvin's birth and his towering legacy to the church than by gathering sixteen of the preeminent Reformed pastors of our day to preach commemorative sermons in St. Pierre's? *Preaching Like Calvin* faithfully presents the text of these sermons. Reading the sermons shows how Calvin's theology grew from a clear understanding of the Bible, an understanding and a theology that are alive and well in the church today.

The Oracles of God Thomas Henry Louis Parker, 1947 Sermons on Job Jean Calvin, 1993 Calvin preached on the Book of Job on week days in 1554-55. These sermons abound in faithful and lively exposition and remain one of the finest examples of evangelical preaching. This quality facsimile edition is a reproduction of Arthur Golding's translation of the Job sermons, first published in 1574.

The Expository Genius of John Calvin Steven J. Lawson, 2024-01-23 Hearts are astounded. Souls are arrested. Christians are convicted, encouraged, and invigorated in their faith. These are the effects that the Holy Spirit produces when God's Word is accurately expounded and earnestly proclaimed. This was the kind of preaching that marked the ministry of John Calvin, the great Genevan Reformer. What was it about Calvin's sermons that made him a leading figure in the sixteenth-century Protestant Reformation? Why do his biblical expositions continue to rivet and edify Christians to this day? The answer becomes clear when we look at Calvin's approach to the preaching of sacred Scripture. In *The Expository Genius of John Calvin*, Dr. Steven Lawson delves into the commitments, practices, and techniques that made Calvin such an effective preacher. He identifies thirty-two distinctives of the Reformer's pulpit ministry, providing comments from Calvin's writings, quotations from

Reformation scholars and examples from Calvin's own sermons In the end Dr Lawson calls on a new generation of pastors to follow the Reformer's example of strong expository preaching This book is part of the Long Line of Godly Men Profile series edited by Dr Steven Lawson [John Calvin's Sermons on 1 Timothy](#) John Calvin,2017-02-05 For years Calvin's sermons on 1 Timothy have been available to English readers only in a facsimile of a 1579 translation with archaic terms and odd letter shapes all of which made it very difficult to read This volume makes these rich sermons accessible again today by having the sermons all retyped and updating the language throughout **In the Power of the Spirit** John Calvin,2024-07-11 Translated from the French of 1562 by Robert White Of the many sermons which Calvin preached on the Synoptic Gospels only the first sixty five were recorded and published under the title Sermons on the Harmony or Concordance of the Three Evangelists Matthew Mark and Luke 1562 Eighteen of these sermons appear here for the first time in English translation They focus on the events of Jesus ministry in Galilee his baptism his testing by Satan the calling of his first disciples his teaching and his works of healing In consecutive sermons the preacher traces the drama of Jesus confrontation with the forces of darkness and unbelief which make him a prophet without honour in his own country For the time being his identity as Messiah remains hidden Already however he is filled with the Spirit of God who empowers and directs him already Satan must contend with one stronger than he already the poor have good news preached to them already God's kingdom is present in Jesus gracious words and mighty works These sermons the last Calvin was to preach on a New Testament text reveal the Reformer at his best a lucid interpreter of Scripture an engaging preacher and a pastor passionate to present every soul in his care mature in Christ **Sermons on the Saving Work of Christ** John Calvin,2011-09-01 Calvin clarifies the basics of our Christian faith with expositions typically rich practical and direct The translation is literal staying true to Calvin's native expression and retaining the spirit of the great Genevan Reformer As these sermons met the heart hunger of the refugees in Geneva so today they will meet the personal needs of God's people for sound biblical doctrine The key introductory message is from John 1 1 5 on Christ's deity with following expositions on the nativity of Christ Luke 2 1 14 the passion of Christ 8 sermons the resurrection of Christ Matthew 28 1 10 the ascension of Christ 4 sermons the day of Pentecost 4 sermons and the second coming of our Lord 2 Thessalonians 1 6 10 Though Calvin did not follow the Church year in his preaching translator Leroy Nixon arranged these select messages to conveniently follow the Christian calendar providing study teaching and preaching resources for Christmas Lent Easter Ascension and Pentecost Sunday **Sermons on the Ten Commandments** John Calvin,2011-09-01 Widely known as one of the church's most significant theologians John Calvin was also a skilled preacher with the ability to proclaim biblical truth with power and relevance These sermons develop the essence of his teaching on the moral law in a popular and engaging manner Pastors preaching through the Ten Commandments and serious Bible students will take great delight in reading Calvin's exposition of the Decalogue which is called the true and eternal rule of righteousness for all who wish to conform their lives to God's will Here you will find a

collection of sixteen sermons by John Calvin that shed light on his understanding and application of the Ten Commandments. These sermons develop the essence of his teaching on the moral law in a popular and engaging manner. **Sermons on Job** John Calvin, 2022-08-16. The name of John Calvin 1509-64 is justly renowned in a number of contexts. The Reformation's greatest systematic theologian, he was also a Christian strategist and transformer of society, as his enormous correspondence and his influence in Geneva bear witness. A prolific scholar well-versed in the Latin of the academics, he also worked hard at communicating to ordinary men and women in his native French language. Above all, Calvin was a pastor. Indeed, it has been said of him that he became a theologian in order to be a better pastor. Nowhere is that more clearly seen than in his sermons. In 1549, the Compagnie des étrangers (refugees) who thought highly of his ministry employed a professional scribe, Denis Raguenier, to record and translate Calvin's sermons. Thanks to the foresight of these sixteenth-century Christians, we can still read the 159 sermons Calvin preached on the Book of Job on week days in 1554. They abound in faithful and lively exposition and remain one of the finest examples of evangelical preaching faithful to the biblical text and thoughtfully applied to the individual and society. In 1993, the Banner of Truth Trust reprinted a facsimile edition of Arthur Golding's 1574 translation of Calvin's sermons on Job. At that time, the publisher expressed the hope that perhaps one day the massive work of retranslating Calvin from the original French into modern English will be done. That day has now well and truly come. Several new translations of Calvin's sermons have recently been published on Ephesians, Galatians 2, Samuel 1:13, Acts 1:7, Gen 1:20, The Beatitudes, Luke 1:2, etc., and a new translation of Calvin's Institutes of the Christian Religion (1541 ed.) has also recently been added to this impressive list of volumes. Now, thanks to Dr. Rob Roy McGregor, all of Calvin's 159 sermons on Job have been translated into modern, colourful, and vigorous English. *The Mystery of Godliness* John Calvin, Jean Calvin, 1999. Most people know John Calvin only because of his Institutes of the Christian Religion or because he was the great Reformer. But Calvin was first and foremost a preacher of God's Word. This book is a collection of 14 rare sermons preached by Calvin. The sermons included are: The Mystery of Godliness, The Call to Witness, The Doctrine of Election, Pure Preaching of the Word, The Word Our Only Rule, The Sure Foundation, The Salvation of All Men, Behavior in the Church, The Proper Use of Scripture, Vessels Unto Honor, The Need of Reproof, The Privilege of Prayer, and The Only Mediator. **Light for the City** Lester DeKoster, 2004. Light of the City introduces readers to a unique view of John Calvin's life and thought, one that not only challenges past readings of Calvin but also seeks to reinvigorate the role of preaching as proclamation for modern civic life. According to Lester DeKoster, the doctrine of predestination as preached by Calvin makes building the kingdom of God rather than evangelism the sole and highest calling of Christians. Calvin's indifference to missions was rooted in his understanding that predestination leaves evangelism with nothing to give away; instead, daily labor on behalf of God's kingdom is the central act of divine worship. Calvin's preaching, his Institutes of the Christian Religion, and his leadership of the church and civic government in Geneva were each, DeKoster maintains, directed toward establishing God's kingdom on

earth Furthermore Western democracy as envisioned by Thomas Jefferson and others is a direct result of such Word inspired civil government Properly understanding Scripture as a dynamic creative Agent of the City means that faithfully preaching today just as in Calvin s day will continue to dramatically evoke the City as God s kingdom on earth Lester DeKoster s style reminds me of Thomas Carlyle He takes the English language and as only a master of prose can do transforms that language into something powerful and imposing This book will prove to be an enduring monument not only in the field of Calvin studies but far beyond that John Richard de Witt First Presbyterian Church Columbia South Carolina
