Arthur Miller In Conversation:

Conversations with Arthur Miller Arthur Miller, 1987 Interviews with Miller and his essays provide an insight into his dramatic works and the man behind the works [Conversations with Miller](#) Mel Gussow, Arthur Miller, 2002-09 Applause Books Conversations with Miller offers a personal and revealing account of one of the major playwrights of our time Arthur Miller is revealed in deep and candid conversation with the highly regarded dramatic critic Mel Gussow In this series of interviews which took place over 40 years Miller is astonishingly forthcoming about his creative sources his accomplishments and his disappointment about his staunch resistance to the McCarthy witch hunts of the 1950 s about his private life including his five year marriage to Marilyn Monroe The result is an intimate portrait of a cultural giant who is both refreshingly down to earth and a fiercely original writer and thinker [Arthur Miller in Conversation](#) Steve Centola, Arthur Miller, 1993 [Interviews and Conversations with 20th-century Authors Writing in English](#) Stan A. W. West, 1985 In this collection of 25 interviews Mr Styron proves to be a consistently thoughtful cooperative subject freely discussing his southern origins literary influences writing habits political views other topics related to his fiction New York Times Book Review *The Critical Response to Arthur Miller* Steven R. Centola, Michelle Cirulli, 2006-05-30 Presenting roughly sixty year s worth of Miller scholarship Centola and Cirulli offer a wide range of interpretations and critical responses to the playwright s work Incorporating insights from several disciplines including but not limited to philosophy psychology and sociology this work also contains discussions of his work in light of new understandings discovered through considerations of cultural contexts performance issues feminist concerns as well as deconstructionist and postmodernist redefinitions of the textuality of Miller s writing Presenting roughly sixty year s worth of Miller scholarship Centola and Cirulli offer a wide range of interpretations and critical responses to the playwright s work Incorporating insights from several disciplines including but not limited to philosophy psychology and sociology this work also contains discussions of his work in light of new understandings discovered through considerations of cultural contexts performance issues feminist concerns as well as deconstructionist and postmodernist redefinitions of the textuality of Miller s writing Bearing witness to the enduring value of Miller s work and the relevance of his artistic vision this body of critical essays reveals why the writer s influence has been so widespread Adept at dramatic experimentation Miller succeeded in inspiring the work not only of American playwrights but also that of dramatists around the world [Conversations with Nadine Gordimer](#) Nadine Gordimer, 1990 Conversations with Nadine Gordimer edited by Nancy Topping Bazin and Marilyn Dallman Seymour Nadine Gordimer is one of the contemporary world s most admired writers of novels and short stories This volume collects three decades of her interviews In them she presents her attitudes toward her art and its interconnection with the oppressive volatile politics in her native

land She has traveled extensively to other countries only to discover that no matter how white her skin she is indeed African and the only country she can call home is South Africa If you write honestly about life in South Africa apartheid damns itself she says She is ruthlessly honest and her fiction has played the vital role of communicating in detail to the rest of the world the effects of apartheid upon the daily lives of the South African people To maintain her integrity she writes as though she were dead without any thought of how anyone will react to what she has written She remains heroically undaunted both by the banning of three of her novels by the white government and by the protests of radical blacks who assert that whites cannot write convincingly about blacks She is concerned neither with the image of blacks nor with the image of whites only with revealing the complexity the full truth This truth condemns the racism upon which apartheid is built In her nine novels and eight volumes of short stories Gordimer digs deeper and deeper until she has thematic layers These include betrayal political sexual every form and power the way human beings use power in their relationships Her accounts in these interviews of how she works and of which writers she admires will fascinate readers scholars teachers and students alike Co editors Nancy Topping Bazin retired from the faculty of the English and women s studies departments at Old Dominion University and Marilyn Dallman Seymour retired from the staff of the Government Publications Department of the Old Dominion University Library *Interviews and Conversations with 20th-century Authors Writing in English: 1980-1985 and 1900-1980 addenda* Stan A. Vrana,1990 **More Conversations with Walker Percy** Walker Percy,1993 This collection of interviews supplements *Conversations with Walker Percy* and occasions an additional two dozen pleasurable encounters with Percy Primarily from the last ten years of Percy s life they show how his presence was stimulating thought in much of humanistic America in literature linguistics psychology and philosophy and in cultural life in general Although this acclaimed author of *The Moviegoer* *Lancelot* and *Love in the Ruins* never overcame his shyness with interviewers he continued to grant interviews as long as his health permitted This act of openness illustrates his humility before his ideas and his desire to help others understand them Although the questions he was asked almost invariably became predictable he always managed to add an anecdote an illustration a topical reference that would breathe new life into the responses he was making The interviews in this collection show him at the height when he knew that his illness would not allow him to write any more books and that the only way to restate his ideas and offer a valediction to the large audience to whom he had always been kind patient and appreciative was to speak out Percy despised the posture of many modern self proclaimed intellectuals who delight in cloaking ideas in jargon and abstraction He always tried to express himself clearly and as free of reservations as possible These interviews reflect that clarity With this book readers will welcome yet more close encounters with him
