*Constitutional Brinkmanship* Russell L. Caplan, 1988-12-08 In this first systematic study of the legal problems relating to the convention clause Russell Caplan shows that repeated constitutional crises have given rise to state drives for a national convention nearly every twenty years since the Constitution was enacted He deftly examines the politics of constitutional brinkmanship between Congress and the states to reveal the ongoing tension between state and federal rights and constitutional tradition and reform

**The Article V Convention Process** Everett McKinley Dirksen, Paul Kauper, 1971-08-21 Draft Conventions and Recommendations Adopted by the International Labour Conference During Its First Session Held at Washington 1919, 1920 *Proceedings / Actes et Documents of the XIXth Session of The Hague Conference on Private International Law* The Hague Conference on Private Internat, 2006-10-31 This volume of the Proceedings of the Nineteenth Session of the Hague Conference on Private International Law encompasses all preparatory work and records of meetings which led to the adoption of the Hague Convention on the Law Applicable to Certain Rights in Respect of Securities held with an Intermediary the Hague Securities Convention The signing of this Convention on 5 July 2006 by two of the world s major financial markets the United States and Switzerland shows the relevance of the new treaty Traditional rules based on physical transfers and direct holdings are too diverse and inadequate to deal with securities which are nowadays transferred and pledged by electronic entries to accounts with clearing and settlement systems and other intermediaries By identifying specific conflict rules the Hague Securities Convention provides a means to remedy this lack of legal certainty which has characterized for too long the field of security transactions The Proceedings will enable the financial world but also legal practitioners and academics to grasp the background and full objectives of this very innovative international instrument
