

Ary Scheffer 17951858

Alida Graveraet Radcliffe

Ary Scheffer 1795-1858:

Joan of Arc in French Art and Culture (1700-1855) Nora M. Heimann, 2017-11-30 In her meticulous and wide ranging study Nora M Heimann follows the metamorphosis of Joan of Arc's posthumous representation during the years in which her image ascended from relative obscurity as a minor provincial figure in the middle ages through her treatment as a figure of political satire in the eighteenth century to her ultimate emergence as an image of piety and sanctity in the mid nineteenth century Offering the first scholarly art historical and cultural analysis of the origins of the modern Joan of Arc cult she takes on the challenge of charting as no previous critic has why and how the Maid of Orléans has been all things to such a diverse public through the ages particularly during the rapid shifts in political regimes that came in the wake of the French Revolution Joan of Arc's image has shown a protean capacity to embody a vast and often contradictory range of qualities from martial ascendancy to vulnerable piety from maidenly purity to transgressive androgyny from the power of the people to the divine right of kings Heimann makes a persuasive case for this enduringly resonant woman as the only figure in French culture to be warmly embraced simultaneously by republicans monarchists feminists and neo fascists alike In its recounting of the iconographic fortunes of this remarkable woman during her transformation from an image of satire to one of sanctity *Joan of Arc in French Art and Culture 1700-1855* offers an illustrated interdisciplinary depiction of the relationship between art and politics that will appeal not only to art historians but also to those working in literature women's studies cultural studies intellectual history and religious history *Ary Scheffer 1795-1858* Institut néerlandais (Paris, France), 1980 *Ary Scheffer 1795-1858 : gevierd romanticus* Leo Ewals, 1996 *The History of Modern Civilization* John Stuart Verschoyle, 1891
