As Good as Gold, As Good as Gold Robert W. Killick PhD,2017-04-03 Bob W Killick an organic chemist shares his extraordinary journey from unemployment to unlikely entrepreneur in this inspiring memoir After losing his job and being told repeatedly he was too qualified to be hired he came up with a creative solution team up with his wife to buy mainly on borrowed money a fifty year old decrepit chemical factory The venture meant getting up at five oclock each morning and traveling across town to work with a team determined to build a multi million dollar business in a cutthroat industry Along the way they developed environmentally sound products and with sweat and tears obtained several international patents At the helm of the Victorian Chemical Company hed take a proactive approach to growing a business never letting a good clean joke get in the way of an international business deal Join Bob his wife and his team on an exciting ride that proves that you can achieve extraordinary business success while maintaining your integrity and adhering to Christian principles As Good as Gold - a western action adventure tale C Lowry,2025-01-17 Fans of classic style western adventure are going to enjoy this action packed fast tale set in the wild west As Good as Gold Kathryn Bertine,2010-05-04 Imagine George Plimpton Except with real athletic ability And he s a woman And she s taken on a challenge that makes Paper Lion look like a brisk game of Go Fish Meet Kathryn Bertine elite triathlete former professional figure skater and starving artist Just as her personal and professional dreams begin to crumble in the summer of 2006 ESPN stakes her to a dream Take two years to make the 2008 summer Olympics in Beijing As Good As Gold is the heroic hilarious account of Bertine s serial exertions in the realms of triathlon modern pentathlon team handball track cycling road cycling rowing open water swimming racewalking and fasten your seatbelts luge On her journey the obstacles range from jet lag to jellyfish flat tires to floundering relationships repeated rejection to road rash But as time is running out Bertine doesn t sweat the small stuff only the large like scouring the globe for a tiny nation to adopt her and pushing her body and mind as far as it will go Maybe all the way to China Between harrowing often laugh out loud episodes of triumph and humiliation Bertine takes short Water Breaks to contemplate the ins and outs of fan mail failure rehydration nasal reconstruction and how best to punish steroid users Kathryn Bertine swims runs and rides and writes like a champion In As Good as Gold Bertine proves she has something more valuable than an Olympic medal She s got Olympic mettle When it comes to the human heart she takes the gold **Good as Gold** Joseph Heller,1997 Dr Bruce Gold a forty eight year old Jewish professor of English faces the possibilities of being appointed to a high State Department position and being disowned by his family Good as Gold Judy Shelton,2024-10-08 From financial crises to pandemic price spikes to recurring cycles of inflation everyone agrees the economy has seen better days But as soon as pundits and politicians start discussing economics things get murky Most books ask more questions than they answer Most books but not this one Judy Shelton Senior Fellow at Independent Institute former Chairman of the National Endowment for Democracy and critically acclaimed monetary economist has written a book with answers And not a moment

too soon With clarity and moral courage Shelton charts the course to a brighter future She s one of the few economists bold enough to challenge the inflationary policies of the Federal Reserve emphasizing how today s policies enrich elites at the expense of you guessed it poor and middle class Americans This Shelton insists must end And it can end easily But Shelton doesn t stop there Her vision is for not only America but also for people around the world Global economic upliftment she insists need not come at the expense of domestic prosperity We can have both but not without a sound and stable U S currency And history is very clear on this point When the U S dollar is backed by gold America prospers and so does the rest of the world In this book Shelton casts a powerful vision that is as revolutionary as it is time tested a vision that shows how the future American dollar can perform as good as gold or even better But this is no curmudgeonly demand to return to the gold standard of yore Neither is it a demand to return to the Bretton Woods era Instead Shelton offers something new an explanation of how we can use gold for a new international monetary order Step by step she lays out how gold can provide a universal measure of value across borders create new financial opportunities and dramatically increase prosperity around the world If you care about the poor rich and everyone in between you have to read this book and discover how price stability functions as the foundation for productive economic growth how political freedom and economic freedom are fundamentally linked and how one cannot exist without the other how to reconcile the stability of America s domestic currency in a global context the proper role of government in the economy and much much more Writing with a sober but hopeful voice Shelton is no ordinary economist With grace intellectual rigor and unmatched passion this book is a must read for anyone invested in the future of the American and global economy You ll walk away with more answers than questions a rare experience for anyone who reads about monetary policy
