existence This separation however is not that of the soul from the body Instead it is separation from common understanding hearsay everydayness and mediocrity Accordingly both Heidegger and Plato see an intimate connection between philosophy and death Rather than a morbid focus on negativity and dissolution however this connection leads to a call to being authentic thinking for oneself and repudiating the superficiality of the crowd For both Heidegger and Plato philosophizing and dying are most concretely a matter of heeding the Delphic oracle Know thyself Rojcewicz pursues this theme of philosophy and death through the topics of signs anxiety conscience music and the COVID 19 pandemic *As the twig is bent* Lucas Cleeve,1901 As the Twig is Bent Leslie Benjamin Hohman,1947 *As the Twig is Bent* Mabel M.
