relationships finding our life purpose self acceptance surrender and compassion As with Edwin Courtenay s first book The Ascended Masters Book of Ritual and Prayer this one also radiates magic charm love and understanding Those passages which touch us most give us messages and pointers to the areas we may need to work on in this life What could be more consoling than to know that our brothers and sisters in the light the Ascended Masters had to overcome the same issues as we do Be comforted embraced and enchanted by the stories in this book
