Ashtakavarga System of Prediction Bangalore Venkat Raman,2024 **Ashtakavarga System of Prediction** Bangalore Venkat Raman,1962 **Principles of Ashtakavarg** Arun Bansal, Our ancient sages Rishis have introduced such a fine method in Horashastra that can help us find out the benignity and malignity of planets and their influence on the life of mankind They produced a system that can be helpful in finding out the lines and points The system is called Ashtakavarga By this system it is easy to find the good and evil effects of the deeds of a man Even a learned and well educated astrologer cannot attain the desired success without the knowledge of Ashtakavarga It is not possible to find out the benefic and malefic results caused due to the merits and demerits of the horoscope of a person without the knowledge of Ashtakavarg The author of this book had started studying the system some twenty years back and came to the conclusion that there is no system better than this that could make an accurate prediction By Ashtakavarga all the malefic and benefic outcome of the deeds of a man can be found out scientifically With the help of this system a minute prediction can be cast A fine theory of the relation between individual and society is applicable on this system There can be some differences on the results predicted by Vimshothari and transit on the basis of planets and houses on signs and ascendants In these circumstances how can a true prediction be made That is why the ancient astrologers have advised to use the Ashtakavarga system It is very hard to find out the effects time and nature of a planet by the common theories of Falit but by this system this is possible For instance a planet will enhance the influence related to its own house if it is conjoined with or aspected by benefic planets while situated in own exalted or friendly sign This is a widely accepted theory But the question is what enhancement will take place in the sphere of the said aspect by that particular planet i e what will be the ratio of the benefic and malefic results It is in this regard that the Ashtakavarga system is considered to be very authentic and decisive With its help prediction regarding the ratio of gains auspicious directions gains from brothers results of planets in transit etc and the age wealth education wisdom relation between husband and wife happiness property land vehicle and deeds of a man can be made easily **Horoscope Predictions in Vedic Astrology II** Ram Babu Sao,2025-11-12 The book Horoscope Predictions in Vedic Astrology II is a unique book which is very informative and also easy to understand One book is truly the equivalent of several books on astrology You can make perfect predictions of the Horoscope of any member of your family with the help of this single book This provides some of the elementary and in depth essential elements on complete horoscope predictions especially with the planetary combinations Yoga Many of the basics of astrology are explained in detail Astrology is not knowing your future but planning your future by averting the misshapenness by action at the right time wearing Gems wearing Yantras chanting Mantras and Prayers It is important to realize that success comes only with the right actions at the right timing The whole secret of Astrology is Right Timing This Book provides the best times for successful ventures such as starting a business buying a home or investing in the Stock Market Mr Bill Gate made a fortune using astrology for Right Timing This knowledge
