Asia 1992 Yearbook

Susan L. Shirk, Christopher P. Twomey

Asia 1992 Yearbook:

Asia 1992 Yearbook, 1992 **Asia 1992 Yearbook** Gavin Greenwood, 1992 **Asia Yearbook 1992** Gavin Greenwood, 1992 East Asia United States International Trade Commission, 1993 *Asia 1992 Yearbook* 32nd 1992, 1992-01-01 *Power and Prosperity* Susan L. Shirk, Christopher P. Twomey, 1996-01-01 *Power and Prosperity* brings together senior scholars policy officials and international journalists to provide diverse perspectives on regional dynamics and domestic intricacies in the Pacific Rim countries and to examine the effects of changing security patterns on economic relations and growth The contributions highlight the degree to which economic and security policies are connected and show how policymakers can build upon the positive dimensions of regional and international ties to increase trust and limit the development of security dilemmas **Mongolia in Transition** Ole Bruun, Ole Odgaard, 2013-05-13 Squeezed between powerful neighbours for decades Mongolia played the role of buffer state Its full independence in 1990 offered new opportunities for both economic growth and the restoration of Mongolian identity But with a huge land area poor infrastructure and a small population the new republic is highly vulnerable and also dependent on international support This book provides easily accessible information for developers planners consultants scholars students and others with an interest in contemporary Mongolia Prefaced by a general overview of the land and society its chapters all written by international experts cover a wide range of topics including foreign policy domestic politics local government structure living standards and poverty women in society grassland management the common herding household and science and technology policy A comprehensive bibliography is provided Asian Exchange, 1995 **Democracy: The Challenges Ahead** Aharon Klieman, Yossi Shain, 2016-07-27 The bottom line message of this book is democracy resurgent but not triumphant There are any number of conceivable anti democratic threats and no prospect of ever achieving either a satisfactory or a permanent level of democracy in all countries and societies Any lowering of the guard by democracy s defenders in academia or real world politics risks the danger of democracy once again falling upon hard times or even regressing PROBLEM OF VIETNAM BOAT PEOPLE IN HONG KONG Gutti Raja Mohan Rao, 2018-04-24 One of the legacies of the unification of Vietnam under Communist leadership in 1976 was the problem of Vietnamese boat people Tens of thousands of Vietnamese refugees fled the country in order to escape persecution and economic hardships Since majority of them used small boats to flee the country to the neighbouring Southeast Asian Countries and Hong Kong the Vietnamese refugees came to be called as boat people This dissertation is an attempt to analyse the problem of Vietnam boat people from 1975 to 1991 that is from the birth of the boat people problem in the wake of American withdrawal from Vietnam in April 1975 to the conclusion of Paris Peace Accords on Cambodia in October 1991 which among other things facilitated Vietnam s reintegration into the World Community and the consequent growth of Vietnamese economy which in turn it was fervently hoped would not only induce the Vietnamese refugees to return to their native country but also discourage the Vietnamese from leaving the country

Mongolia R. C. Sharma, 1997 Selected papers presented at the First International Conference of Mongolists held in Feb 1995 organized by the Jawaharlal Nehru University New Delhi and International Association for Mongol Studies Asian Profile, 2002 *Statistical Yearbook for Asia and the Pacific 1992* United Nations Publications, United Nations. Economic and Social Commission for Asia and the Pacific, 1993 Korea And The World Young Whan Kihl, 1994-04-10 During the Cold War era Korea's security agenda was defined largely by superpower rivalry The goal of U S strategy as reflected in the Truman Doctrine was to stem the tide of communist expansionism and contain Soviet power within the USSR's existing borders Korea was cast as a crucial buffer and fulcrum in the balance of power among the major powers surrounding the peninsula and North Korea's invasion in 1950 of its southern neighbor was seen as a key test of containment policy Now that the Cold War is over it is time to reconsider the Korean peninsula's strategic role in global and regional politics In this book leading scholars provide new perspectives on Korea's changing role in the new world order What are the implications of the dramatic end of the Cold War for East Asia and the Korean peninsula Will peace and prosperity return to the region followed by the reunification of divided Korea Or will history repeat itself in the form of violent conflict and rivalry as in late nineteenth and early twentieth century East Asia The contributors consider these questions in the context of major powers policies toward the Korean peninsula inter Korean relations and revived prospects for Korean reunification **The Far East and Australasia**, 1997 **Chinese and East Asian Economies in the 1990s** Chinese Economic Association (Australia). Conference, 1993 Collection of 16 papers presented at the sixth annual conference of the Chinese Economic Association held at the Australian National University Canberra 30 November to 1 December 1993 The papers are preceded by the keynote address by Professor Peter Drysdale *Eating the Nation* Kevin T. McIntyre, 2002 *Yearbook of agriculture. 1923, 1924* The Spectator Insurance Yearbook, 1901 **Asia's Investment Flows**, 1993
