

A group of children are lying on their stomachs on a grassy surface, smiling and holding hands. They are arranged in a circle, with their heads pointing towards the center. The children are wearing various colorful clothing, including a green shirt, a white shirt with a red plaid skirt, a yellow shirt, a blue shirt, and a blue and yellow striped polo shirt. A central yellow square with a white border contains the text "CHILDREN'S Faith Formation".

The Children's Book of Faith William John Bennett,2001 Includes passages from the Bible poems stories and prayers for parents seeking examples of faith to help guide their children on life s journey *Fostering Children's Faith* Jeanne Hall,2012-03-29 Fostering faith in children is a shared privilege and responsibility of parents godparents and the church community We promise our children at baptism that we will support them in their faith formation in the formation of their relationship with God We need to take this promise seriously This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children s faith This book succinctly explores many ways we can support children s faith formation including our day to day interactions with children the images of God we share with them how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children s relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us **Children's Spirituality, Second Edition** Kevin E. Lawson,Scottie May,2019-06-13 The Society of Children s Spirituality Christian Perspectives launched in 2003 with its first conference held at Concordia University Chicago in River Forest Illinois An earlier edition of this book composed of chapters based on presentations from that conference was published in 2004 In 2018 a decision was made to revise this book from the inaugural conference updating some chapters and providing a new perspective on the ongoing work of the organization now called the Children s Spirituality Summit For example given the advances in what we are learning from brain research a chapter on this topic has been extensively updated What this revised volume provides is a collection of chapters offering theological perspectives social science research and insights on ministry practice about the spiritual lives of children how they relate to God how this relationship grows and what helps in promoting the spiritual formation and vitality of children in the home church and school This book offers twenty three chapters by professors graduate students social science researchers and ministry leaders from different denominational traditions addressing a wide range of issues in theory research and ministry practice with children This second edition offers much to learn from stimulate your thinking and improve your practice *Helping Our Children Grow in Faith* Robert J.
