## **Children's Personal And Social Development:**

Young Children's Personal, Social and Emotional Development Marion Dowling, 2001-01-12 Exudes a deep understanding of very young children It fills the gap for early years practitioners in the core foundation stage area of personal social and emotional development Times Educational Supplement Considers how children's development can be assisted in ways that are responsive to their needs It discusses how children develop confidence independence awareness of the needs of others and the disposition to learn It also looks at the issues of emotional well being moral and spiritual development and how children relate to the wider world This is an essential read for those working in this area and anyone else with an interest in the current debate about early years provision Chil **Assessing Children's Personal And Social**

**Development** MARTIN BUCK, Helena Burke, Sally Inman, 2005-07-28 Social and personal development of pupils is an area of growing interest However while much has been done in relation to provision for development there is little available on how teachers might assess the development of pupils be it spiritual moral social or cultural The contributors also examine how we might accredit such development With provision for development on the national agenda this title looks at the repercussions and examines the difficult issues raised by assessment and accreditation and the problems with which teachers will inevitably be faced Young Children's Personal, Social and Emotional Development Marion Dowling, 2014-08-08

Young children's personal social and emotional development is of central importance to all those working in the Early Years Offering thought provoking questions and practical suggestions to help readers to reflect on and develop their own practice this fourth edition of Marion Dowling's much loved book has been fully updated to include Expanded coverage of key topics including independent thinking living and learning with others and dispositions for learning A new chapter on Vulnerable Children and Fragile Families with sections on identifying risk talking to families and safeguarding and protection Guidance for working with parents in every chapter Updated links to the EYFS and a focus on two year olds This is essential reading for all Early Years students and practitioners and anyone working with or caring for young children *Personal, Social and Emotional Development of Children* Peter Barnes, 1995-09-06 This is the second in a series of four books which form part of the Open University course in Child Development They provide a detailed and thorough undergraduate level introduction to the central concepts theories current issues and research evidence in developmental psychology These books assume no previous knowledge of the field and encourage the reader's active involvement especially through the use of activities Examples drawn from case studies psychological research and practise stimulate critical appreciation of the issues covered Selected short readings accompany the chapters to present ideas from a variety of sources Personal Social and Emotional Development in Children is about key aspects of development from the attachments of early childhood through to adolescent years It considers the influences that shape development and the processes through which they operate The book involves the reader with central debates in developmental psychology by reference to a mixture of classic studies and recent research

Particular chapters deal with the growth of emotions the development of self identity and the establishment of moral understanding These are linked with considerations of the experiences of growing up in families and the specific issues of adolescence

*Young Children's Behaviour* Louise Porter,2008 In the third edition of this landmark text Louise Porter draws on current evidence based research to explore prominent theories about young children s behaviour With her customary clarity and ever accessible style Porter provides practical strategies for caregivers and teachers that are designed to promote children s skill development foster children s willingness to cooperate with others and safeguard children s emotional needs Back cover

Parental Belief Systems Irving E. Sigel,Ann V. McGillicuddy-DeLisi,Jacqueline J Goodnow,2014-02-25 Research on the topic of parent beliefs or parent cognition has increased tremendously since the original publication of this volume in 1985 For this revised second edition the editors sought to reflect some of the new directions that research on parent cognition has taken By offering a greater variety of topics it gives evidence of the intellectual concerns that now engage researchers in the field and testifies to the expanding scope of their interests Although a unique collection because it reflects the diversity that exists among major researchers in the field it evinces a common theme that the ideas parents have regarding their children and themselves as parents have an impact on their actions This emphasis on parents ideas shifts the focus on sources of family influence to ideas or beliefs as determinants of family interactions The implication of this way of thinking for practitioners is that it suggests the shift to ideas and thoughts from behavior and attitudes

**The Early Years Foundation Stage** Ioanna Palaiologou,2009-11-25 Palaiologou has chosen essays for this collection which will stimulate critical awareness and discussion of the early years foundation stage She provides an interesting background to the politics policy and legislation which underpin and inform the EYFS This book covers policy and pedagogy assessment communication and more
