Childs Eye View Of History:

A Child's Eye View of History Fiona Macdonald,1997 This volume enables young readers to experience great events in history through the eyes of real children who lived through them *Child's Eye View of History* Fiona Macdonald,1997-09-01 *A Child's Eye View of History* Fiona Macdonald,1998 Twenty one spreads focus on individual children who lived during important periods of history Beginning with Tuthmosis III a ten year old who took the throne of Egypt in 1489 B C and continuing through today A Child s Eye View of History includes information on children from all continents and from more than three thousand years in history Full color **Child-sized History** Sara L. Schwebel,2011 The classroom canon of young adult novels in historical context **The child's history of Jerusalem** Francis Roubiliac Conder,1874 **Discovering Wonder: Seeing the World Through a Child's Eyes** Luigi Pascal Rondanini,2024-08-12 Rediscover Wonder Luigi Pascal offers you back the magic curiosity and wanderlust of how we once saw our world through eyes labelled those children years ago now With a children s book writer background and an organiser motivated by psychology neuroscience and philosophy the author will provide deep insight into reconciling childlike wonder with everyday adult life of maturity or wisdom This short but informative guide shall walk you through the following Spark your curiosity and find the exceptional in the mundane Use imagination to solve problems creatively Develop emotional honesty in a world that sells the status quo Establish deeper more meaningful connections with openness and play Juggle mature responsibilities with childlike wonder and fun It s full of pragmatic exercises real world stories and access to thought leaders like Bren Brown Stuart Brown and Susan David all featured in the book who made this rich landscape tangible as a map for living an even more fulfilling creative wonder filled life Rediscovering Wonder is for parents who want to enter their child s world more fully professionals longing to reinvent themselves and leverage creativity in the workforce or anyone feeling like they need a refresher on life Walk with us through this transformative process as we explore the miracle of the world looking anew Your inner child and your adult self anyway will thank you *Edinburgh History of Children's Periodicals* Michelle J. Smith,Beth Rodgers,Kristine Moruzi,2024-04-30 Since the publication of the first children s periodical in the 1750s magazines have been an affordable and accessible way for children to read and form virtual communities Despite the range of children s periodicals that exist they have not been studied to the same extent as children s literature The Edinburgh History of Children s Periodicals marks the first major history of magazines for young people from the mid eighteenth century to the present Bringing together periodicals from Britain Ireland North America Australia New Zealand and India this book explores the roles of gender race and national identity in the construction of children as readers and writers It provides new insights both into how child readers shaped the magazines they read and how magazines have encouraged children to view themselves as political and world subjects [Doing History](#) Linda S. Levstik,Keith C. Barton,2022-09-06 Now in its sixth edition Doing History offers a unique perspective on teaching and learning history in the elementary and

middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The book is grounded in the view that children can engage in valid forms of historical inquiry asking questions collecting and analyzing evidence examining the varied perspectives and experiences of people in the past and creating evidence based historical accounts and interpretations Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing and discussion The authors explain how these classrooms reflect contemporary principles of teaching and learning and thus the descriptions not only provide specific examples of successful activities but also place them in a context that allows teachers to adapt and apply them in a wide range of settings Doing History emphasizes diversity in two ways Readers encounter students from a variety of backgrounds and see how their diverse experiences can form the foundation for learning and they also see examples of how teachers can engage students with diverse experiences and perspectives in the past including those that led to conflict and oppression The book also discusses principles for working with English learners and newcomers and it provides guidance in using multiple forms of assessment to evaluate the specifically historical aspects of children s learning Updates to this edition include updated historical and instructional examples to ensure currency new suggestions for children s literature to support good teaching expanded attention to teaching about oppressed groups in history and greater attention to when historical perspective taking is and is not appropriate
