*In the Shadow of the Alamo* Clara Driscoll, 1906 The custodian of the Alamo I The past II The present Sister Genevieve Juna of the mission de la Concepcion The old priest of San Francisco de la Espada Tommy Huntress Phillipa the chili queen The red rose of San Jose *Latin@s' Presence in the Food Industry* Meredith E. Abarca, Consuelo Carr Salas, 2015-12-21 Latin s Presence in the Food Industry takes the holistic culinary approach of bringing together multidisciplinary criticism to explore the diverse and not always readily apparent ways that Latin s relate to food and the food industry The networks Latin s create the types of identities they fashion through food and their relationship to the US food industry are analyzed to understand Latin s as active creators of food based communities as distinctive cultural representations and as professionals This vibrant new collection acknowledges issues of labor conditions economic politics and immigration laws structural vulnerabilities that certainly cannot be ignored and strives to understand more fully the active and conscious ways that Latina s create spaces to maneuver global and local food systems **Domestic Negotiations** Marci R. McMahon, 2013-07-01 This interdisciplinary study explores how US Mexicana and Chicana authors and artists across different historical periods and regions use domestic space to actively claim their own histories Through negotiation a concept that accounts for artistic practices outside the duality of resistance accommodation and self fashioning Marci R McMahon demonstrates how the very sites of domesticity are used to engage the many political and recurring debates about race gender and immigration affecting Mexicanas and Chicanas from the early twentieth century to today Domestic Negotiations covers a range of archival sources and cultural productions including the self fashioning of the chili queens of San Antonio Texas Jovita Gonz lez s romance novel Caballero the home economics career and cookbooks of Fabiola Cabeza de Baca Sandra Cisneros s purple house controversy and her acclaimed text *The House on Mango Street* Patssi Valdez s self fashioning and performance of domestic space in *Asco* and as a solo artist Diane Rodr guez s performance of domesticity in Hollywood television and direction of domestic roles in theater and Alma L pez s digital prints of domestic labor in Los Angeles With intimate close readings McMahon shows how Mexicanas and Chicanas shape domestic space to construct identities outside of gendered racialized and xenophobic rhetoric **The Search for a Chili Queen** Marian L. Martinello, 2009 Blending careful research and creative storytelling *The Search for a Chili Queen* explores the lantern lit world of the young hostesses who staffed nightly chili stands and vied for loyal customers on the plazas of late nineteenth century San Antonio *The Search for Emma s Story* and *The Search for Pedro s Story* this search for a chili queen serves as an invaluable model of historical investigation for teachers and students as well as an engaging read for anyone whose interest is piqued by Lupe s captivating historical counterparts As a humanities detective Marian L Martinello chronicles her step by step investigation into the life and times of the chili queens making frequent reference to the unique sources that guided her inquiry The pages of the book are replete with nineteenth century photographs and paintings in addition to modern photos of

artifacts in museum collections and even chiles from the author's local supermarket. All of this evidence leads to informed conclusions about the persona, trade, and surroundings of the chili queens on San Antonio's Military Plaza. Martinello subsequently brings life to her subject through an entertaining yet historically credible bit of creative reconstruction. She crafts the fictional character of Lupe Perez, a spunky teenage queen who endeavors to bolster business at her family's stand through hard work, a knack for entertaining customers, and the allure of a remarkable fringed rebozo. Following in the footsteps of Martinello's previous books, *The Search for Emma's Story* and *The Search for Pedro's Story*, this search for a chili queen serves as an invaluable model of historical investigation for teachers and students, as well as an engaging read for anyone whose interest is piqued by Lupe's captivating historical counterparts.

*Chili Queen* Marian L. Martinello, 2015-03-22. It happened on the plaza that never slept, my favorite place in the whole of the city, writes Lupe Perez to begin her memoir. A mix of historical fact, vintage photos, and maps, recipes, music, folklore, and South Texan culture, Lupe's story offers an eyewitness account of life on Military Plaza in San Antonio during the 1880s. Facing the impending failure of her family's chili stand, Lupe is certain she can improve profits. But her older sister and hostess, Josefa, resists Lupe's arguments until Tom O'Malley, an itinerant vaudeville actor, arrives. By default, Lupe becomes Chili Queen, but each new venture presents new challenges for the struggling chili stand. Peter Meyer comes to town from the Hill Country to pursue his dream of becoming a shopkeeper. Despite their cultural differences, he and Lupe are drawn to one another by more than romantic feelings. They share a common entrepreneurial dream, and Peter helps Lupe grow in her business savvy. Just as business improves, word spreads of a new city hall on the plaza and the subsequent eviction of all chili stands. Where will they go? What will they do? The choice is Lupe's to make. And her response is bold.

*The Queen's Jubilee and Toronto "called Back" from 1887 to 1847 ...* Conyngham Crawford Taylor, 1887. [Documents of the Assembly of the State of New York](#), New York (State). Legislature. Assembly, 1882. **Frontier Times**, 1926. **The Chili Queen** Sandra Dallas, 2003-09-10. Life may have been hard on Addie French, but when she meets friendless Emma Roby on a train, all her protective instincts emerge. Emma's brother is seeing her off to Nalgitas to marry a man she has never met. And Emma seems like a lost soul to Addie, someone who needs Addie's savvy and wary eye. It isn't often that Addie is drawn to anyone as a friend, but Emma seems different somehow. When Emma's prospective fails to show up at the train depot, Addie breaks all her principles to shelter the girl at her brothel. The Chili Queen. But once Emma enters Addie's life, the secrets that unfold and schemes that are hatched cause both women to question everything they thought they knew. With Sandra Dallas's trademark humor, charm, and pathos, *The Chili Queen* will satisfy anyone who has ever longed for happiness. *The Chili Queen* is the winner of the 2003 Spur Award for Best Western Novel.
