Of Everything Part One offers a comprehensive overview of the civilizational importance of maintenance The book begins
with a dramatic contest of maintenance styles under life critical conditions the Golden Globe around the world solo sailboat
race of 1968 It goes on to explore the insights that can be gleaned from vehicle maintenance from the zeal of motorcycle
maintainers to the maintenance philosophies that fought for dominance of the auto industry to the state of electric vehicle
manufacturing today with absorbing detours into the evolution of precision in manufacturing the enduring importance of
manuals sustainment in the military and the never ending battle against corrosion Maintenance Of Everything is a wide
ranging and provocative call to expand what we mean by maintenance not just the tiresome preventative tasks but the whole
grand process of keeping a thing going It invites us to understand not only the profound impact maintenance has on our daily
lives but also why taking responsibility for maintaining something whether a motorcycle a monument or our very planet can
be a radical act No one else but Stewart Brand is talking about the art and science of maintenance and how to do it well This
