America, China, and the Struggle for World Order G. John Ikenberry, Zhu Feng, Wang Jisi, 2015-07-22 This book brings together twelve scholars six Americans and six Chinese to explore the ways America and China think about international order The book shows how each country's traditions historical experiences and ideologies influence current global dialogues

China's Rise in the World ICT Industry Lutaoping, 2009-06-04 China is the world's largest ICT exporter having overtaken Japan the European Union and the United States and China's ICT industry is the largest manufacturing sector within the Chinese economy This book examines how China has attained this leading position in one of the most capital and high technology intensive industries

"Harmonious World" and China's New Foreign Policy Sujian Guo, Jean-Marc F. Blanchard, 2010-01-01 The concept of harmonious world has become the basis for the new principles and goals of Chinese foreign policy under the fourth generation leadership The question remains however about the exact meanings of these principles and slogans and their implications for Chinese foreign policy This is the first edited volume that attempts to address this significant question and its insightful contributions elucidates new dimensions of Chinese foreign policy and their implications for China's relations with the world

China's Accession to the World Trade Organization Robert Ash, Heike Holbig, 2013-04-03 With China's accession to the World Trade Organization imminent this book brings together the expert views of scholars policy makers and business representatives on the consequences of this historic event Insight into the past and future of China's relationship to the WTO is offered by authors involved on both sides of the negotiations on the EU China bilateral agreement of May 2000 and the on going negotiations up to spring 2001 An analyst and representatives from four economic sectors the automobile industry telecommunications insurance and banking clash over their predictions for the future Also presented is an investigation of the challenges for China's political social and legal systems and revealing prognoses are given for the implications for global trade and investment flows for the EU and Greater China and for the modus operandi of the WTO itself By shedding light on economic effects and social and legal implications the book gives a comprehensive picture of potential challenges arising from China's entry to the WTO

China's Entry into the World Trade Organisation Peter Drysdale, Ligang Song, 2003-09-02 This volume provides a detailed up to date analysis of the strategic issues and policy options of China's accession to the WTO Quantitative analysis demonstrates how tariff reduction resulting from China's accession to the WTO will benefit the Chinese economy as well as the rest of the world The book argues that there is no single trade policy initiative likely to result in larger gains in international trade in the foreseeable future than China's accession to the WTO

China's 40 Years of Reform Wei Liu, 2023-02-14 This book focuses on the key issues around Chinese reform in the past 40 years including economic structure upgrading finance reform enterprise ecology village modernization ecological development income structure global governance BRI and governance model It collects the most important concerns and reveals the deep logic behind the reform By reading this book it helps

readers to grasp the engine of China's continuous growth toward modernization in the four decades **China's New World Order** Li, Hak Y., 2021-12-03 This discerning book examines China's newly developed soft intervention policy towards North Korea Myanmar and the two Sudans by examining China's diplomatic statements and behaviours It also highlights the Chinese soft intervention policy in economic manipulation and diplomatic persuasion in the recent generations of Chinese leadership under Hu Jintao and Xi Jinping *World Agriculture*, 1920 **The Making of China's Foreign Policy in the 21st century** Suisheng Zhao, 2018-02-02 This book is a study of the making of foreign policy of China a rising power in the 21st century It examines three sets of driving forces behind China's foreign policy making One is historical sources including the selective memories and reconstruction of the glorious empire with an ethnocentric world outlook and the century of humiliation at the hands of foreign imperialist powers The second set is domestic institutions and players particularly the proliferation of new party and government institutions and players such as the national security commission foreign policy think tanks media and local governments The third set is Chinese perception of power relations particularly their position in the international system and their position relations with major powers This book consists of articles from the Journal of Contemporary China *The World's Work*, 1924 **The China Mission Year Book**, 1920 *China's Role in Global Economic Recovery* Xiaolan Fu, 2012-03-12 This book presents a wide ranging assessment of the current state of China's economy in relation to the global international economy It discusses the role China has played in responding to the economic crisis assesses the continuing strong prospects for further economic growth in China and examines China's deepening integration into the world economy Specific topics covered include China's foreign reserves and global economic recovery the international expansion of Chinese multinationals and China's private businesses and the role of technological innovation in China's economic growth Overall the book provides a wealth of detail and up to date insights concerning China's development path growth potential sustainability and impact **The China Christian Year Book** Edwin Carlyle Lobenstein, Abbe Livingston Warnshuis, Frank Joseph Rawlinson, Henry Theodore Hodgkin, 1911 **India, Pakistan, China, and the Contemporary World** Phool Kumar Sharma, 1972 **The World Tomorrow**, 1922 [Pictorial History of the World's Greatest War and New International Atlas of the World](#), 1919 **The Chinese Nation**, 1930 *The China Weekly Review*, 1930 **China in the Tokugawa World** Marius B. Jansen, 1992 This engaging book challenges the traditional notion that Japan was an isolated nation cut off from the outside world in the early modern era This familiar story of seclusion argues master historian Marius B Jansen results from viewing the period solely in terms of Japan's ties with the West at the expense of its relationship with closer Asian neighbors Taking as his focus the port of Nagasaki and its thriving trade with China in the sixteenth through the nineteenth centuries Jansen not only corrects this misperception but offers an important analysis of the impact of the China trade on Japan's cultural economic and political life Creating a vivid portrait of a city that lived on and for foreign trade the author details Nagasaki's pivotal role in importing luxury goods for a growing

Japanese market whose elite wanted more of everything that ships from China could bring Silk sugar and ginseng were among the cargoes brought to Nagasaki as well as books that by the late Tokugawa period signaled the dangers of Western expansionism The junks from China brought people as well as goods and the author provides clear evidence of the influence of Chinese expatriates and visitors on Japanese religion law and art Japan s intellectuals prided themselves on their full participation in the cultural milieu of the continental mainland and for them China represented an ideal land of sages and tranquility But gradually China came to represent instead a metaphor for the other as Japan s quest for a national identity intensified Among the Japanese a new image of their nation was beginning to emerge a Japan superior to Asia in general and to China in particular The Congregationalist and Christian World ,1907
