## **China To Me:**

*China to Me* Emily Hahn, 2014-04-01 A candid rollicking literary travelogue from a pioneering New Yorker writer an intrepid heroine who documented China in the years before World War II Deemed scandalous at the time of its publication in 1944 Emily Hahn's now classic memoir of her years in China remains remarkable for her insights into a tumultuous period and her frankness about her personal exploits A proud feminist and fearless traveler she set out for China in 1935 and stayed through the early years of the Second Sino Japanese War wandering carousing living loving and writing Many of the pieces in *China to Me* were first published as the work of a roving reporter in the *New Yorker* All are shot through with riveting and humanizing detail During her travels from Nanjing to Shanghai Chongqing and Hong Kong where she lived until the Japanese invasion in 1941 Hahn embarks upon an affair with lauded Chinese poet Shao Xunmei gets a pet gibbon and names him Mr Mills establishes a close bond with the women who would become the subjects of her bestselling book *The Soong Sisters* battles an acquired addiction to opium and has a child with Charles Boxer a married British intelligence officer In this unflinching glimpse of a vanished world Hahn examines not so much the thorny complications of political blocs and party conflict but the ordinary or extraordinary people caught up in the swells of history At heart *China to Me* is a self portrait of a fascinating woman ahead of her time

*The Early Years* Emily Hahn, 2018-11-06 Memoirs of an exotic unconventional life in Asia and Great Britain in the 1930s and 1940s from a colorful prolific New Yorker writer ahead of her time *China to Me* A proud feminist and fearless traveler Emily Hahn set out for China in 1935 and stayed through the early years of the Second Sino Japanese War wandering carousing living loving and writing During her travels from Nanjing to Shanghai Chongqing and Hong Kong where she lived through the Japanese invasion in 1941 Hahn embarks upon an affair with lauded Chinese poet Shao Xunmei gets a pet gibbon and names him Mr Mills establishes a close bond with the women who would become the subjects of her bestselling book *The Soong Sisters* battles an acquired addiction to opium and has a child with Charles Boxer a married British intelligence officer Deemed scandalous at the time of its publication in 1944 Hahn's now classic memoir remains remarkable for her insights into a tumultuous period and frankness about her personal exploits The keen prose is suffused with an intellectual freedom and freshness of perspective that vivify the concerns of a long gone world Publishers Weekly Hong Kong Holiday The same day they attacked Pearl Harbor the Japanese invaded the British colony of Hong Kong which they would occupy until their surrender in 1945 Emily Hahn was living there with her newborn daughter The baby's father Charles Boxer the local head of British army intelligence was imprisoned in a POW camp With sharp observations and incisive wit Hahn gives a vivid picture of her time in the oppressed city from daily life in the bazaars beauty shops restaurants and opium dens to the crowded hospitals and internment camps until she fled the city in 1943 with her daughter

*England to Me* Following the end of the Second World War Hahn married Charles Boxer fortunately reports of his beheading by the Japanese had been greatly exaggerated and they returned to his inherited estate in the English countryside From

Southampton to London Hahn offers a fascinating portrait of a postwar country in flux as well as her own struggles to adjust to a more sedate English country life after her harrowing but exciting years in the Far East China to Me Emily Hahn, 1949

**China's Millions**, 1900 The Internet in China Zixue Tai, 2007-05-07 The Internet in China examines the cultural and political ramifications of the Internet for Chinese society The rapid growth of the Internet has been enthusiastically embraced by the Chinese government but the government has also rushed to seize control of the virtual environment Individuals have responded with impassioned campaigns against official control of information The emergence of a civil society via cyberspace has had profound effects upon China for example in 2003 based on an Internet campaign the Chinese Supreme People's Court overturned the ruling of a local court for the first time since the Communist Party came to power in 1949 The important question this book asks is not whether the Internet will democratize China but rather in what ways the Internet is democratizing communication in China How is the Internet empowering individuals by fostering new types of social spaces and redefining existing social relations The English in China James Bromley Eames, 1909 *Typical Women of China* Xiang Liu, 1891 Ginling College Magazine, Nanking, China, 1924 **New China and Old** Arthur Evans Moule, 1891 China Under the Empress Dowager John Otway Percy Bland, 1921 **The Religious System of China: book I.
