China's Hainan Province Chongyi Feng, David S. G. Goodman, 1995 **Hainan - State, Society, and Business in a Chinese Province** Kjeld Erik Brødsgaard, 2008-08-27 This book examines the complex relationship between the state society and business in China focusing on the experience of the island province of Hainan It provides detailed evidence of how relations between party cadres state bureaucrats businesses foreign investors and civil society play out in practice in China today **China's Provinces in Reform** David Goodman, 2002-11 Explores the impact of social and political change on China's provinces during the reform era Offering an in depth comparative analysis of a number of major provinces it challenges generalizations over the nature of change in China **Regional China** Rongxing Guo, 2013-01-21 It is a resource book that profiles the geography demography economy political environment and business climates for each of China's 31 provinces It will become a useful source book to researchers businesses government agencies and news media interested in either the rapidly changing provincial economies or the Chinese economy as a whole **China Rising** David S. G. Goodman, Gerald Segal, 1997 This refreshing analysis approaches the issue of China's potential power on the international stage within the context of its relationships with other international actors examining the effect such a large power will have on world wide decisions *China Investment Environment & Strategies* Joe Y. Eng, 2005 Doing business in China requires attention to a broad range of issues While many executives focus on local conditions others train their eyes on regional and national developments By painting a picture of the entire Chinese landscape this book provides western corporate decision makers with tools for crafting a sustainable China business strategy The comprehensive analyses presented herein will not only enable business executives to rationalize their China investment but also help them communicate their China business plan to stakeholders building corporate consensus and support China Investment Environment Strategies could be used to Identify strategic options for the China market Conduct comprehensive site selection analysis Evaluate the viability of a China strategy Convince skeptics of a China operation Secure stakeholders commitment to China business Improve communications with Chinese partners and consumers Companies owned by Chinese in Hong Kong Taiwan and the U S capitalize on cultural and historical affinity with China to build successful businesses there By understanding the rules of engagement that these overseas Chinese follow the odds of success for western companies in the China market will be improved *The Study of Modern China* Eberhard Sandschneider, 1999 This volume of essays has been written in honour of Jurgen Domes a scholar who has spent his academic life striving to interpret political developments in the People's Republic of China and in Taiwan Domes was one of the first political scientists to apply the analytical instruments of their discipline to the study of Chinese politics *The Empowerment of Asia* Alexander Woodside, University of British Columbia. Institute of Asian Research, 1996 *Asian Journal of Social Science*, 2008 **Critical Issues Facing China's Rubber Industry in the Era of Market Integration** P. K. Library,1996 **A Chinese Province as a Reform Experiment** Paul M. Cadario,Kazuko Ogawa,Yin-Kann Wen,1992 This study reviews the context of and prospects for China s only Special Economic Zone SEZs that covers an entire province When Hainan became a province in 1988 the central government wanted to make it a special zone that would go far beyond even the other SEZs in system reform It was to have a small government and large society implying very little state operated enterprise and minimal government Despite its essential backwardness pockets of absolute poverty inadequate infrastructure and other difficulties Hainan has made progress in economic development attracting investment from both the mainland and overseas Its economy previously dominated by state owned rubber and iron ore industries has diversified through substantial growth in services and small scale enterprise including export oriented joint ventures However the pace of reform and investment slowed during the national austerity program from early 1989 to late 1991 calling into question the ambitiousness of some of Hainan s plans to lead the way in reform experiments in agriculture industry and human resource development Recently though the reform agenda seems to have regained momentum as Hainan deals in greater depth with the trade investment and fiscal modernization that could propel it into prosperity This study also suggests ways in which the province s reform agenda might be accelerated as the next key steps are identified and opportunities seized by both Beijing and Haikou
