Chinas Minorities Yesterday And Today:

China's Minorities Wolfram Eberhard,1982 **China's Korean Minority** Chae-jin Lee,2021-11-28 The educational system in China s Yanbian Prefecture presents a relatively successful model for Korean ethnic education Koreans in China have a much higher percentage of literacy and middle school and college graduation than the national average or any other minority nationality Despite the integrationist impulses of the Chinese nationality policy during the Rectification Movement and the Cultural Revolution the Korean minority has successfully sustained its ethnic identity Central to the well being of the Korean minority in China is its continuing achievement of the highest level of educational attainment Within the moderate nationality policy currently enunciated by Beijing the ethnically based education system of the Korean minority in Northeast China presents a program to be studied and emulated by other minority nationalities *China's National Minority Education* Gerard A. Postiglione,2013-10-15 This volume focuses on policies and practices in the education of China s national minorities with the purpose of assessing the goals and impact of state sponsored education for China s non Han people s The essays in the four sections of this book examine cultural challenges to state schooling the extent of educational provision in minority areas the perspectives of Tibetan and Uyghur minorities toward state education along with providing case studies of four national minorities The book makes the point that despite the authoritarian character of China s state schooling diversity reigns *The Nanxun Legacy And China's Development In The Post-deng Era* John Wong,Yongnian Zheng,2001-06-14 In the spring of 1992 Deng Xiaoping made a historical tour of south China popularly known as the Nanxun southern tour During the tour he boldly called for more radical economic reform and further opening up of China The Nanxun has become a political landmark in the history of the People s Republic of China much like great events such as the Great Leap Forward the Cultural Revolution and the 1989 Tiananmen crackdown Deng Xiaoping has left his own legacy for the country The Nanxun belongs to Deng just as the 1911 revolution belongs to Sun Yat sen and the communist revolution to Mao Zedong In this collection of articles leading China scholars and experts analyze how the Nanxun has sparked off dynamic economic growth in China and drastically changed the political and social landscape of the country [An Ethnohistorical Dictionary of China](#) James S. Olson,1998-02-24 Since Deng Xiaoping s economic reforms began in the early 1980s the People s Republic of China has rejoined global politics as a world power The country is likely to become more open and its internal politics will no doubt affect the rest of the world With more than 1 2 billion people divided into hundreds of ethnic groups all dominated by the Han people China s politics and its foreign policy are bound to be affected by ethnicity and ethnic rivalry This book is designed to give librarians students scholars and educated readers a ready reference for background information of interpreting ethnic events in China Generally defining ethnicity in terms of language this book provides individual essays on hundreds of Chinese ethnic groups including ethnic groups living in the Republic of China on Taiwan The book also includes a chronology bibliography and a breakdown of the People s Republic of China s ethnic political subdivisions **Problems of**
