and tragic Great Leap Forward and Cultural Revolution Deng Xiaoping's far-reaching reforms that resulted in the dismantling of socialism and China's dramatic economic growth The triumphant hosting of the 2008 summer Olympics and China's emergence as a world power Spanning the years from China's defeat in the Opium Wars to its current status as a potential superpower the fifth edition of *Modernization and Revolution in China* is essential reading for courses on Modern Chinese History Chinese Politics and Modern East Asia

The Modernization of China Rozman, 1982-08 In the *Modernization of China* an interdisciplinary team of scholars collaborate closely to provide the first systematic integrated analysis of China in transformation from an agrarian based to an urbanized and industrialized society Moving from the legacy of the Ming and Ch'ing dynasties to the reforms and revolutions of the 20th century the authors seek reasons for China's inability to achieve rapid steady growth during a 200 year long struggle to modernize They examine the changing shape of Chinese society the role of the state in local politics military affairs economics the development of the educational system changes in family population and settlement patterns science and technology world views and foreign relations And they make frequent comparisons between China's experience with growth and that of two other latecomers to modernization Japan and Russia The result is a book that brings much needed clarity and perspective to our understanding of China and the way a great civilization attempts to meet the challenge of modernity

Modernization and Revolution in China June M. Grasso, Jay P. Corrin, Michael Kort, 2004 The drama of China's struggle to modernize unfolds against the backdrop of a proud and enduring history in the new and completely revised edition of this classic text Spanning the years of the Opium War to twenty first century China the book covers the great episodes that highlight that journey the breakdown of Imperial China in the face of relentless Western and Japanese encroachments the rise of the new Chinese republic the decades long struggles between the ideologies and armies of Chiang Kai shek and Mao Zedong China's bitter and costly war with Japan the years of the People's Republic punctuated by the Great Leap Forward the Cultural Revolution and Tiananmen up to the rise of the Fourth Generation leadership and the tenure of Jiang Zemin with special emphasis on China's role in the Gulf wars North Korea and the war on terrorism As China continues to develop as a political and economic superpower this book will help students understand how the nation reached new heights from the depths in which it found itself during the nineteenth century

Modernization and Revolution in China June M. Grasso, Jay P. Corrin, Michael Kort, 1997 In this important text now revised and updated the drama of China's struggle to modernize unfolds against the backdrop of a proud and enduring history Spanning the Opium War to China in the late 1990s the book narrates the great episodes that highlight that journey the breakdown of imperial China in the face of relentless Western and Japanese encroachments the rise of the new Chinese republic the early struggles between the ideologies and armies of Chiang Kai shek and Mao Zedong China's bitter and costly war with Japan the final shootout that sent Chiang to Taiwan and Mao to Beijing and the long years of the People's Republic culminating in the reforms of Deng Xiaoping and tragically punctuated by the Great Leap Forward the Cultural Revolution

and Tiananmen As China emerges from the abyss she was in during the twentieth century to become a world class economic superpower of the post Cold War Asia Pacific region this book is essential for understanding how China reached these new heights This is a good undergraduate textbook Controversial and lively and ends up being quite a pleasure to read Strongly recommended to all university students in the field Journal of Contemporary Asia on the previous edition Modernization and Revolution in China June Grasso, Jay Corrin, Michael Kort, 2024-03-14 Extensively revised and fully updated in this sixth edition this popular textbook conveys the drama of China's struggle to modernize against the backdrop of a proud and difficult history Featuring a new analysis of the issues facing China's fifth generation of leaders it explores prominent developments including China's relations with its neighbors and the United States the humanitarian crises in Tibet and Xinjiang and the progression of Xi Jinping Incorporating new analytical summaries in each chapter and updated suggested readings this new edition covers The breakdown of imperial China in the face of Japanese and Western encroachments The struggles between the ideologies and armies of Chiang Kai shek and Mao Zedong Mao Zedong's Great Leap Forward and Cultural Revolution Deng Xiaoping's reforms and the resulting dismantling of socialism and economic growth China's position as a world superpower and Xi Jinping's leadership The Covid 19 pandemic Spanning the years from China's defeat in the Opium Wars to its current status as a world superpower the sixth edition of *Modernization and Revolution in China* is an essential textbook for courses on modern Chinese history Chinese politics and modern East Asia **China's Struggle for Modernization**, 1979 The Modernization of China Wenhui Cai, 1982 **China Notes**, 1990 **In Making China Modernized** Wenhui Cai, 1996 **Postal Communication in China and Its Modernization, 1860-1896** Ying-wan Cheng, 1970 Preliminary Material The Problems of Modernizing Postal Communication The Chinese Official Post The Letter Agencies Foreign Postal Establishments in China 1834-1896 The Origin and Development of the Customs Post Attempts to Create a National Post Office The Establishment of the Imperial Post Office Retardation of Modernization and its Consequences Notes Bibliography Glossary Index Harvard East Asian Monographs China's First Modern Corporation and the State Chi-kong Lai, 1992 *Chinese and American Conceptions of Peace, Order and China's Modernization* Simei Qing, 1994 *Asian Forum*, 1971 *Social Control in the People's Republic of China* Ronald J. Troyer, John P. Clark, Dean G. Rojek, 1989-09-07 Where other books have discussed selected social practices in China this volume is unique in its coverage of the entire social control apparatus of that country The contributors to this comprehensive study describe the design and operation of the Chinese social control system Drawing on data gathered in China the book introduces readers to China's unusual blend of formal and informal devices at the individual and neighborhood level up through the formal criminal justice system This social control approach stresses citizen involvement and emphasizes prevention rather than reaction The various chapters describe how the criminal justice system operates when these devices fail The book's primary conclusion is that the low rates of deviance in China are a consequence of extensive social control efforts at the grassroots level These grassroots

devices are carefully controlled by the government At the same time however China is rapidly changing There is an extensive development of a formal criminal justice system and rapid economic development The contributors predict that China s crime rate will rise as these trends continue Professional criminologists as well as students and scholars of criminology delinquency and comparative criminal justice systems will find this book a valuable resource
