Zhang, 2017-06-08 Prof Liqun Zhang is a renowned practitioner of Traditional Chinese Medicine TCM in Austria Europe This book is the result of a life of Eastern and Western Medicine and being at home on three continents Asia North America and Europe Prof Zhang explains the basic principles of TCM In an engaging and clear way she shows simple methods to cultivate the mind to set up a gentle routine for daily use explains a number of effective Qigong exercises acupressure and self acupressure moxibustion foot massage seasonal living and the principles of personal constitution She describes a healthy diet as a way to help the body heal itself Some of these TCM methods have been practiced in China for more than two thousand years The author reminds us that the TCM lifestyle is all about a do it yourself approach Small changes in the daily routine can make a big difference Not all methods need to be applied at once But taking one step at a time observing the body and listening to what we feel will eventually lead us to the physical strength we need Prof Zhang provides us with the tools TCM has to offer Life is a journey Being healthy is the most important and happiest thing we can have Thank you all for reading

The Way of Thinking in Chinese Medicine Friedrich G. Wallner, 2010 Chinese Medicine is an outstanding scientific

proposition system with its own structural methodological and theoretical prerequisites flowing into the specific practices that make Chinese Medicine popular in the Western world However we should be aware of the fact that Chinese Medicine is challenged in its existence because it is widely unknown Fostering the understanding of Chinese Medicine in various aspects is hence the main aim of this book that gives interesting insights into the discussions on current developments in Chinese Medicine research

Contemporary Religious Studies in China Xiping Zhuo,2020-04-30 It is a spectacular history since the founding of the PRC When looking back to the history we realize the huge accomplishment of the contemporary China and the remarkable spirit of Chinese people Just as that in other branches the achievements of contemporary Chinese academic development are fully manifested in the research and results of contemporary Chinese religious studies Therefore there is special academic value and practical significance for the development and the future of our religious studies to reexamine this period of history and explore how contemporary Chinese scholars think about it During the academic development of contemporary China religious studies be come one of the most developed and popular as well as controversial subjects This is because religious studies have been situated in a complex background and it is difficult to have a well situated position with broad spectrums and sensitive questions Hence religious studies belong to the subjects that are growing The understanding of its connotation and extension is still on the way The full development of religious studies as a discipline will represent the real leap of Chinese religious studies
