Arts Dk Titian:

Titian P. Titianus, 1998 Understand the creative genius of 50 famous painters through striking reproductions of their work all annotated and explained in detail The stylistic trademarks favored subjects and techniques of each artist are highlighted in their paintings while the authoritative text provides fascinating biographical and historical details **Titian** Titian, Terisio Pignatti, 1981 *Titian* Ian G. Kennedy, Titian, 2018 Titian Tiziano Vecelli was the Venetian school's greatest painter and is one of the best loved Italian artists of all time This book examines Titian's work from his early years training under Giovanni Bellini to his later mature work **Icons of Beauty** Lindsay J. Bosch, Debra N. Mancoff, 2009-12-22 What gives beauty such fascinating power Why is beauty so easy to recognize but so hard to define Across cultures and continents and over the centuries the standards of beauty have changed but the desire to portray beauty to praise beauty and to possess beauty has never diminished Icons of Beauty offers an enthralling overview of the most revered icons of female beauty in world art from pre history to the present From images of Eve to Cindy Sherman's self portraits from Cleopatra to Madonna from ancient goddesses to modern celebrities this interdisciplinary set offers fresh insight as to how we can use perceptions of beauty to learn about world cultures both past and present Each chapter looks at an individual work of art to pose a question about the power of beauty What makes beauty modern What is the influence of celebrities How do women portray their own beauty in a different manner than men In depth profiles of the icons reveal how specific ideas about beauty were developed and expressed offering a full analysis of their history cultural significance and lasting influence In addition to renowned works of art Icons of Beauty also looks at icons in literature film politics and contemporary entertainment Interdisciplinary and multicultural in its approach chapters inside this set also feature sidebars on provocative topics and issues such as foot binding and body adornment myths and practices opinions and interpretations and even related films songs and even comic book characters Generously illustrated this rich set encompasses history politics society women's studies and art history making it an indispensable resource for high school and college students as well as general readers

Tiziano Vecellio, Known as Titian 1488/1490-1576 Marion Kaminski, 1998 This book describes the decisive stages in the artist's life and development of his style explaining their impact against the background of their social context as well as their significance for following generations of artist Titian, Circa 1490-1576 Ian G. Kennedy, 2006 Titian Tiziano Vecelli 1488 1576 was the Venetian school's greatest painter and is one of the best loved Italian artists of all time This book examines Titian's work from his early years training under Giovanni Bellini to his later mature work *International repertory of the literature of art*, 1984 **Art and Expression** Alberto Argenton, 2019-05-29 Perception of expression distinguishes our cognitive activity in a pervasive significant and peculiar way and manifests itself paradigmatically in the vast world of artistic production Art and Expression examines the cognitive processes involved in artistic production aesthetic reception understanding and enjoyment Using a phenomenological theoretical and methodological framework developed by Rudolf

Arnheim and other important scholars interested in expressive media Alberto Argenton considers a wide range of artistic works which span the whole arc of the history of western graphic and pictorial art Argenton analyses the representational strategies of a dynamic and expressive character that can be reduced to basic aspects of perception like obliqueness amodal completion and the bilateral function of contour giving new directions relative to the functioning of cognitive activity Art and Expression is a monument to the fruitful collaboration of art history and psychology and Argenton has taken great care to construct a meaningful psychological approach to the arts based also on a knowledge of pictorial genres that allows him to systematically situate the works under scrutiny Art and Expression is an essential resource for postgraduate researchers and scholars interested in visual perception art and gestalt psychology

On Canvas Stephen Hackney,2020-02-11 The first truly comprehensive analysis of the history practice and conservation of painting on canvas Throughout its long history in Western art canvas has played an influential role in the creative process From the Renaissance development of oil painting on canvas to the present day through Impressionism Abstract Expressionism and other art historical movements the use of canvas has enhanced the scale of painting freedom of brushwork and spontaneity in technique This book recounts some of that rich history in relation to corresponding developments in conservation practice Rather than concentrating on the familiar concerns of cleaning and varnish removal this volume considers the preservation of a painting s structure By focusing on recent studies on the fundamental nature of canvas and its mechanisms of deterioration the book explains new approaches to the conservation of both contemporary and historical art including reversible passive and preventive treatments particularly with respect to lining Written by Stephen Hackney a conservation practitioner and leader in conservation research *On Canvas* is the first book to take a comprehensive look at this important subject and is destined to become an invaluable resource for the field

The Cults of Raphael and Michelangelo Tamara Smithers,2022-07-29 This study explores the phenomenon of the cults of Raphael and Michelangelo in relation to their death burial and posthumous fame or second life from their own times through the nineteenth century These two artists inspired fervent followings like no other artists before them The affective response of those touched by the potency of the physical presence of their art works personal effects and remains or even touched by the power of their creative legacy opened up new avenues for artistic fame divination and commemoration Within this cultural framework this study charts the elevation of the status of dozens of other artists in Italy through funerals and tomb memorialization many of which were held and made in response to those of Raphael and Michelangelo By bringing together disparate sources and engaging material as well as a variety of types of artworks and objects this book will be of great interest to anyone who studies early modern Italy art history cultural history and Italian studies
