## **Children's Dulcimer Method:**

**Complete Children's Dulcimer Method** Mara Wasburn, 2016-07-14 This outstanding children's method for mountain dulcimer is the result of the author's many years of sharing the dulcimer with children and has been successful with children as young as 5 years old. In it you will find many traditional songs and folk tunes arranged for the mountain dulcimer. Each song has a simple strum pattern indicated above it with fret numbers for the melody notes and lyrics included where appropriate. There are instructions for strumming, chording, fingerpicking, and for three modal tunings: Ionian, Aeolian, and Mixolydian. Harmony is included for many of the songs so two or more dulcimers can play together.

**The Miracle Dulcimer** Natalie Buske Thomas, 2012-10

The Miracle Dulcimer describes the instant play method, how to get started with the dulcimer, tips on how to start a group for regularly playing music, personal stories, and a collection of 27 songs. The Miracle Dulcimer's 27 easy play songs and instant play method is ideal for individuals and groups who wish to play music but lack the skill or desire to learn. Natalie Buske Thomas, author of the *Serena Wilcox Mysteries*, created The Miracle Dulcimer Method when her mother was terminally ill to enable her mother to instantly play music without ever having played an instrument before and without any knowledge of how to read sheet music. The Miracle Dulcimer Method is a good option for anyone who wishes to play a real musical instrument, a mountain dulcimer, relatively inexpensive and can even be built from a kit but lacks the ability or the desire to learn an instrument. This method is a wonderful solution for people with disabilities, special needs, and anyone who would benefit from music therapy. The instant play method is also a great fit for playing music in groups such as in church or community centers. Non-musicians and children can play right away, an excellent choice for fellowship and social events for people from all walks of life, mixed ages and skill levels, beginning with never played an instrument before. Whether you are looking for a new option for a community group seeking music therapy for yourself or a loved one, or you simply want to play music without the hassle of learning how, this book is for you.
