

Hop a little

Hop a little ,
jump a little
One, two, three

Skip a little,
Run a little
Tap one knee.

Bend a little,
stretch a little
Nod your head.

Yawn a little,
sleep a little
in your bed.

Childrens Games And Rhymes

N. G. N. Kelsey

Children's Games And Rhymes:

Games, Rhymes, and Wordplay of London Children N. G. N. Kelsey, 2019-02-26 This book presents a unique annotated collection of some 2000 playground games rhymes and wordplay of London children It charts continuity and development in childlore at a time of major social and cultural change and offers a detailed snapshot of changes in the traditions and language of young people Topics include starting a game counting out rhymes games without songs singing and chanting games clapping skipping and ball bouncing games school rhymes and parodies teasing and taunting traditional belief and practice traditional wordplay and a concluding miscellany Recorded mainly in the 1980s by primary schoolteacher Nigel Kelsey transcribed verbatim from the children's own words and accompanied by extensive commentaries and annotation the book sets a wealth of new information in the wider historical and contemporary context of existing studies in Britain Ireland and other parts of the English speaking world This valuable new resource will open new avenues for research and be of particular interest to folklorists and linguists as well as to those working across the full spectrum of social cultural and educational studies

Children's Games in the New Media Age Chris Richards, Andrew Burn, 2016-05-23 The result of a unique research project exploring the relationship between children's vernacular play cultures and their media based play this collection challenges two popular misconceptions about children's play that it is depleted or even dying out and that it is threatened by contemporary media such as television and computer games A key element in the research was the digitization and analysis of Iona and Peter Opie's sound recordings of children's playground and street games from the 1970s and 1980s This framed and enabled the research team's studies both of the Opies' documents of mid twentieth century play culture and through a two year ethnographic study of play and games in two primary school playgrounds contemporary children's play cultures In addition the research included the use of a prototype computer game to capture playground games and the making of a documentary film Drawing on this extraordinary data set the volume poses three questions What do these hitherto unseen sources reveal about the games songs and rhymes the Opies and others collected in the mid twentieth century What has happened to these vernacular forms How are the forms of vernacular play that are transmitted in playgrounds homes and streets transfigured in the new media age In addressing these questions the contributors reflect on the changing face of childhood in the twenty first century in relation to questions of gender and power and with attention to the children's own participation in producing the ethnographic record of their lives

Children's Rhymes, Children's Games, Children's Songs, Children's Stories Robert Ford, 1904

Games Without Music for Children Lois Bates, 2021-04-25 In *Games Without Music for Children* Lois Bates presents a rich compilation of engaging and imaginative activities aimed at fostering creativity and social interaction among children The book informed by a blend of educational philosophy and play theory adopts a simple yet evocative literary style that emphasizes clarity and accessibility Bates skillfully weaves together practical instructions with insightful anecdotes making it an indispensable guide for educators caregivers and parents The

context of post war optimism in educational reform highlights her efforts to use play as a means of developing emotional intelligence and cooperative skills among young learners Lo s Bates a prominent figure in children s education drew upon her extensive background in teaching and child development to craft this thoughtful work Her deep commitment to enhancing the educational experience for children coupled with her belief in the transformative power of play inspired her to create a resource that moves beyond traditional learning methods Her experiences in diverse educational settings have equipped her with unique insights into children s needs and the value of unstructured play in fostering their growth I wholeheartedly recommend Games Without Music for Children to anyone who seeks to cultivate a child s imaginative spirit and encourage meaningful connections This book not only provides practical activities but also serves as a testament to the importance of play in child development making it a vital addition to any educational resource collection
