**Resumen:** El presente trabajo analiza las consideraciones de la Corte Suprema chilena suscitadas al alero de la reciente normativa universitaria en materia de acoso sexual y otras formas de violencia en contra de las mujeres. Se sostiene que la tesis del máximo tribunal chileno (replicada por algunas Cortes de Apelaciones) adolece de una ceguera importante frente a las desigualdades de género que subyacen a los fenómenos de acoso y violencia en contra de las mujeres y que fundamentan la institucionalidad universitaria en la materia. Para ello, se analiza desde una perspectiva de género la forma de reconstruir la autonomía universitaria para sancionar dichos hechos y se contrasta con otros pronunciamientos de la Corte en que se otorga una mayor amplitud a la potestad sancionatoria de las universidades en el marco regulatorio chileno.

**Palabras clave:** Acoso sexual; violencia contra las mujeres; perspectiva de género; autonomía universitaria.

## The Autonomy of Chilean Universities to Punish Acts of Violence against Women

**Abstract:** This paper analyzes the considerations of the Chilean Supreme Court raised under the auspices of the recent university regulations on sexual harassment and other forms of violence against women. It is argued that the thesis upheld by the highest Chilean court suffers from a significant blindness to the gender inequalities that underlie the phenomena of harassment and violence against women and that underlie the university institutions in the matter. To do this, the way to rebuild university autonomy to sanction such acts is analyzed from a gender perspective and contrasted with other pronouncements of the Court in which greater scope is granted to the sanctioning power of universities in the Chilean regulatory framework.

**Keywords:** Sexual harassment; violence against women; gender perspective, university autonomy.
