Diana's Freelance Tips Diana Marinova,2016-12-06 An insider's take on how to break into the Upwork market If you are a freelancer hoping to break into the Upwork job market this book will save you hours of browsing through free blog posts and forums You might be thinking why pay for this information when with a little diligence I can find this info all over the web Here's why

- 1 This author has managed to build a quite successful translate lucrative career on Upwork way back when it was still oDesk and Elance She knows that ins and outs of this platform
- 2 She's been on both sides of the equation hiring people herself and pitching and winning major bids for projects and contracts
- 3 There are many things that you only learn after years and years of working through this platform and she's privy to most of this knowledge Now you can benefit from her experience I've known people who ask me for advice on how to get started on Upwork These days instead of giving them a lengthy explanation I just email them a link to this e book it has everything they need to know and more

Chrystina and Brian Amazon Customer It was an AWESOME book starting a freelance career Thanks Diana for this COOL info Would recommend every Freelance beginner reading this book before starting and along the way I have got a lot from this book and have started from scratch on Upwork it does help you create your first base ground to launch a successful freelance business Amazon Customer What I liked the most about the book is that it motivates and inspires you The author gives you some homework and you will appreciate the value of the book right at the moment you start doing the first homework Ilian Yankulov Freelancer Project Manager working remotely for a Danish Digital Agency This book is the direct result of Diana Marinova's extensive experience as a freelance marketing consultant and the many questions she receives on a daily basis from the fellow freelancers who read her blog What experience you ask She has completed more than forty freelance projects She is a top rated freelancer on Upwork formerly oDesk with 6 500 paid hours and even more if counting the hours spent working on fixed price jobs Clients continuously rate

her work with the maximum review rating of five stars Today she fully enjoys the freelance lifestyle traveling the world while making a good living working online Her market rates range from 40 per hour for hourly jobs all the way up to 100 per hour when working on fixed price projects And she sure made a lot of mistakes early on in her freelance career for example she was selling herself short when working for as low as 7 per hour during the first few months Don't make rookie mistakes when you can learn from hers Download the sample of the book and see what's in it But be warned this book is not a silver bullet for success You have to roll up your sleeves and work hard to achieve your goals If you are committed to succeed this book is everything needed to kick start your freelance practice on Upwork formerly oDesk Diana tells her story while also walking you through all the steps needed to lay a solid foundation for your freelance business on Upwork In the end of each chapter she includes action items aka homework assignments to help you put all tips in practice right away Have a look inside to see the Table of Contents and the first couple of book sections

Upwork Essentials John Morris,2020-08-14 What does it REALLY take to be successful on Upwork The 20% that will create 80% of your results That's the point of Upwork Essentials to teach you that 20% When I first started on Upwork everybody told me I had to pay my dues build my job history with small projects get to Top Rated status and THEN I could start landing bigger projects and making real money Instead the first project I landed was for 2191.78 Not bad for a complete beginner I landed several more projects like that and hit over 10K in earnings in my first few months Years later I decided to teach what I knew about Upwork THIS book though is a distillation of what I did in those first few months to get started so quickly A method I've taught now to over 6 000 students many of whom who have seen a dramatic change in their results in just days Even more who've applied the principles long term and built sustainable freelance businesses for themselves using Upwork Of course the book is NOT for everyone If you're looking for whiz bang or bright and shiny this book isn't for you because it's really about fundamentals Understanding how Upwork's Search and Suggestion actually works building your profile to rank higher in that engine and bidding on jobs that fit the overall strategy instead of focusing solely on the money If you're new to Upwork or have been on the platform for awhile but have struggled this book is for you I'll teach you my Rank and Relevance Framework to start getting clients right away and build a sustainable Upwork business
