Academic Library Trends and Statistics for Carnegie Classification. Doctorate-Granting Institutions, 2003. ,2004

Academic Library Trends & Statistics 2003 American Library Association, Association of College and Research Libraries, 2005-01-19 The Eleventh Off-Campus Library Services Conference Proceedings Patrick Mahoney, 2013-01-11 Learn how to provide better service to distance information users This book is the result of the conference held in May 2004 in Scottsdale Arizona focusing on librarians challenges providing service to nontraditional faculty and students Respected authorities discuss in detail specific problems and fresh strategies and solutions to further promote service to distance information users Each chapter tackles a particular issue such as collaboration outside the contributor s organization or how services can be monitored and assessed to gauge quality and fully explains what can be done to address those issues Each distinguished contribution was carefully selected by a 26 member advisory board using a juried abstracts process Thorough bibliographies useful figures tables and graphs provide accessibility and clarify ideas Some of the topics in this book include the promotion of library services to Native American students the planning and development process of a project to create a Web based multi media instruction tool for off campus graduate students an examination of direct linking tools provided by major aggregators distance learning for the learning disabled distance learning implementation strategies for institutions course management software CMS and library services integration a survey of Association of Research Libraries offered services the do s and don ts of videoconferencing on and off campus an eBooks collection study one on one research coaching via digital reference service an online tool that assesses students research skills and attitudes creating a library CD for off campus students expanding student and faculty access to information services the collaboration with faculty on electronic course reserves developing assessment questions for services supporting off campus learning programs providing secure off campus access to library services beyond proxy servers and much much more The Eleventh Off Campus Library Services Conference Proceedings is an invaluable comprehensive resource detailing the latest challenges and solutions for on and off campus librarians **Academic Library Trends and Statistics for Carnegie Classification** ,2009 **The Successful Academic Librarian** Gwen Meyer Gregory, 2005 The role of academic librarian is far from cut and dried There are numerous job classifications and widely varying academic focuses and cultures to contend with While every academic librarian is expected to meet the research needs of an institution s faculty and students many are expected to assume other obligations as part of a faculty or tenure system Given the many variants library school alone cannot prepare individuals for every aspect and flavor of academic librarianship and intrepid librarians who find themselves in new places and positions face unique challenges The Successful Academic Librarian is an antidote to the stress and burnout that almost every academic librarian experiences at one time or another In its pages Gwen Meyer Gregory and nearly 20 of her peers take a practical approach to a range of critical topics Their advice war stories tips techniques and inspiration will help you thrive in

your academic library career from back cover *Library Data* Darby Orcutt,2009-11-19 Numerical evidence is everywhere and how best to handle and leverage it is a growing concern in the academic world in general and the academic library world in particular Libraries are not only storehouses and key contacts for library patrons in accessing numbers but are also collectors and users of their own data which is integral to the functioning of the library itself The essays in *Library Data Empowering Practice and Persuasion* focus on interpreting and using library generated and outside data in support of data driven practice and data strengthened persuasion The collection includes such topics as how to make data presentations appealing and effective applying capital budgeting models to libraries and using data for evaluation and improvement of collections and services Articles also cover specialized scenarios including reference collection development serial acquisitions institutional repositories web site design interlibrary loan and bibliographic instruction *Creating a Comprehensive Information Literacy Plan* Joanna M. Burkhardt,Mary C. MacDonald,Andrée J. Rathemacher,2005 Burkhardt head librarian University of Rhode Island Providence Campus Library offers step by step guidance for creating and marketing an information literacy plan for library managers instructors and staff who need to decide what to teach when and how to deliver instruction and how to market their institution The CD ROM compiles worksheets and templates from the book for easy customizing and reproduction Annotation 2006 Book News Inc Portland OR **Fundamentals of Collection Development and Management** Peggy Johnson,2018-01-16 As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled

Fundamentals of Collection Development and Management, Fourth Edition Peggy Johnson,2018-07-23 Technical Services Quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice For the fourth edition expert instructor and librarian Johnson has revised and freshened this resource to ensure its timeliness and continued excellence Each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues Thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the

value and usefulness of this book remain unequalled

Academic library trends and statistics for Carnegie classification Thomas M. Guterbock,1999 *The Engaged Health Sciences Library Liaison* Lindsay Alcock,Kelly Thormodson,2020-05-15 Selected as a 2025 Doody's Core Title Liaison roles are generally commonplace in medical and health sciences libraries as librarians strive to develop and enhance relationships and collaborations with clinicians and faculty While the liaison of the past acted primarily as the main contact between respective departments and the library providing a facilitative function e.g. arranging for instruction sessions inviting feedback on the collection providing updates on new programs and services etc today's liaison activities are more proactive and robust The Engaged Health Sciences Library Liaison features ten program descriptions that illustrate how the reach and scope of librarians in the medical healthcare arena has changed dramatically since the inception of liaison services The program outcomes described illustrate a direct impact on curriculum development address new information types with new access and preservation technologies expand stakeholder groups create research and teaching collaborations and enhance functional roles This authoritative book copublished by the Medical Library Association demonstrates that collaboration and communication the basic tenets of a liaison program breed innovative programs and services that are relevant current and valuable

Statistical Reference Index ... Annual ,2005 **Resources in Education** ,1993 *Pushing the Edge* Association of College and Research Libraries.
