Top Answers to Job Interview Questions Donald K. Burleson, 2004 Ideal for job seekers and interviewers alike this employment resource provides an overview to the interview process including techniques on acing the job interview for applicants and assessing the potential of job candidates for hiring managers A range of potential interview questions and the best possible answers for individual job seekers are discussed with consideration of how managers should evaluate these answers A discussion of the kinds of questions potential employees should ask of the interviewer emphasizes that a successful interview illustrates a candidate's ability to meet the needs of the employer

Deep Knowledge Oludamini Ogunnaike, 2020-10-26 This book is an in depth comparative study of two of the most popular and influential intellectual and spiritual traditions of West Africa Tijani Sufism and Ifa Employing a unique methodological approach that thinks with and from rather than merely about these traditions Oludamini Ogunnaike argues that they contain sophisticated epistemologies that provide practitioners with a comprehensive worldview and a way of crafting a meaningful life Using theories belonging to the traditions themselves as well as contemporary oral and textual sources Ogunnaike examines how both Sufism and Ifa answer the questions of what knowledge is how it is acquired and how it is verified Or more simply What do you know How did you come to know it How do you know that you know After analyzing Ifa and Sufism separately and on their own terms the book compares them to each other and to certain features of academic theories of knowledge By analyzing Sufism from the perspective of Ifa Ifa from the perspective of Sufism and the contemporary academy from the perspective of both this book invites scholars to inhabit these seemingly foreign intellectual traditions as valid and viable perspectives on knowledge metaphysics psychology and ritual practice Unprecedented and innovative Deep Knowledge makes a significant contribution to cross cultural philosophy African philosophy religious studies and Islamic studies Its singular approach advances our understanding of the philosophical bases underlying these two African traditions and lays the groundwork for future study
