**A. E. Brooks**

## **Confederate Revolvers:**

Revolvers of the Confederacy - the Perry Collection Barry Perry, 2026-01-15 This volume is the work of a lifelong collector who has spent more than six decades studying and preserving historic firearms It was created not by a professional author but by an enthusiast determined to document a significant collection for future family stewards fellow collectors and students of Confederate arms The narrative places these weapons in their proper historical context highlighting the craftsmen who struggled to supply the South with revolvers during the Civil War Southern gunsmiths including firms such as Schneider Glassick produced firearms in extremely limited quantities often one at a time Most were occupied with repairing damaged Confederate weapons or salvaging parts from Union arms recovered on the battlefield As a result many surviving Confederate revolvers display mismatched serial numbers repairs or Northern components Complete fully original examples with matching numbers are exceptionally scarce making them highly prized by collectors and frequently rated above their Union counterparts in equivalent condition This book focuses on a single collection that contains examples from every known commercial Confederate revolver manufacturer along with key imported arms such as the LeMat and Kerr weapons that played a vital role in arming Southern soldiers and in fact outnumbered domestically produced revolvers Also included are select documented Union made Colts and Remingtons that were captured and carried by Confederate troops reflecting the South's reliance on whatever arms it could obtain Where possible individual firearm entries incorporate genealogical research identifying the soldiers who used or captured them Although Confederate imagery often conjures the figure of a soldier armed with an Enfield and a revolver early war troops frequently carried personal weapons flintlocks shotguns and single shot pistols Except for one example this book is devoted to multishot handguns using the terms revolver and pistol interchangeably as does much of the literature

**The Original Confederate Colt** William A. Albaugh, Richard Dennis Steuart, 1953

**Colonel Burton's Spiller & Burr Revolver** Matthew W. Norman, 1996 Revolving around the creation operation and demise of a pistol factory this book illustrates the struggles of the factory and thus of the Confederacy during the Civil War

Weapons of the Civil War Cavalryman John Walter, 2020-09-17 During the American Civil War the mounted soldiers fighting on both sides of the conflict carried a wide array of weapons from sabers and lances to carbines revolvers and other firearms Though some sections of the cavalry placed their trust in the sabre the advent of viable breechloading carbines especially repeaters such as the Spencer was to transform warfare within little more than a decade of General Lee's final surrender at Appomattox However output struggled to keep up with unprecedented demands on manufacturing technology and distribution in areas where communication was difficult and in states whose primary aim was to equip their own men rather than contribute to the arming of Federal or Confederate regiments In addition the almost unparalleled losses of men and equipment ensured that almost any firearm effectual or not was pressed into service Consequently the sheer variety of weaponry carried reflected the mounted soldiers various roles in different theatres of operation but also the

availability or otherwise of weapons notably on the Confederate side Fully illustrated this study assesses the effectiveness of the many different weapons arming the Civil War cavalryman and analyses the strengths and weaknesses of the decisions made after 1865 concerning the armament of the US cavalry *Confederate Handguns* William A. Albaugh,1993  
*Confederate Handguns* William A. Albaugh,1963 *Confederate Veteran* ,1924 *HSA Americana Civil War Platinum Auction Catalog #642* Ivy Press,2006-10 *Civil War Collector's Encyclopedia* Francis A. Lord,2013-07-24 Indispensable reference identifies and describes more than 800 subjects from artillery accoutrements to tools and patriotic sheet music A must have book Antiques Auction News Over 350 rare illustrations **The Confederate LeMat Revolver** Doug Adams,M. Clifford Young,2005-01-01 **The Library of Congress Civil War Desk Reference** Margaret E. Wagner,Gary W. Gallagher,Paul Finkelman,2009-11-24 History **A. E. Brooks's Collection of Antique Guns, Pistols, Etc..** A. E. Brooks,1899 **The Confederate Brass-framed Colt & Whitney** William A. Albaugh,1955 *The Confederate Navy* William N.
