*Peasant Consciousness and Guerilla War in Zimbabwe* Terence O. Ranger, T. O. Ranger, 1985-01-01      **Guns & Rain**  
David Lan, 1985 Almost every anti colonial struggle this century has been led by an army of guerrillas No such struggle has succeeded without a very high degree of cooperation between guerrillas and the local peasantry But what does cooperation between peasants and guerrillas really consist of What effect does it have on the way they view the world for which they fight In the struggle for Zimbabwe 1966 80 hundreds of thousands of peasants provided the guerrillas with practical help and support But they went a good deal further Throughout the country scores of spirit mediums the religious leaders of Shona gave active support to resistance With their participation the scale of the war expanded into an astonishing act of collaboration between ancestors and their descendants the past and the present the living and the dead This book is a detailed study of one key operational zone in the Zambezi valley It shows that to understand the meaning the war and independence have for the people of Zimbabwe themselves we must take into account not only the nationalist guerrillas and politicians the bearers of guns but also the mediums of the spirits of the Shona royal ancestors the bringers of rain Publisher  
Emerging Perspectives on Dambudzo Marechera A. J. Chennells, Flora Veit-Wild, 1999 Regarded by some as mad and by others as a genius Zimbabwean writer Dambudzo Marechera is today ten years after his death considered to be one of the most innovative writers that Africa has produced This new book is a collection of critical essays devoted entirely to Marechera s work and includes contributions from academics in Zimbabwe South Africa Italy Nigeria Germany and the United Kingdom who show the complexity and variety of responses that Marechera s writing evokes      **Past and Present in Zimbabwe** John David Yeadon Peel, T. O. Ranger, 1983 Research papers on historical aspects and trends in political development local government and land tenure in Zimbabwe since independence in 1980 discusses prehistory archaeological data ideology use of tradition in rural area local government reasons for the 1980 election results comments on legislation for the transition from colonialism includes a case study of land titles in a black freehold area resettlement and land reform policy in the context of national level economic development Maps references statistical tables      Dracula's Guest Bram Stoker, 1914 When we started for our drive the sun was shining brightly on Munich and the air was full of the joyousness of early summer Just as we were about to depart Herr Delbrck the matre d hotel of the Quatre Saisons where I was staying came down bareheaded to the carriage and after wishing me a pleasant drive said to the coachman still holding his hand on the handle of the carriage door      Journal of the American Romanian Academy of Arts and Sciences , 1995      Irish Classics Declan Kiberd, 2001 A celebration of the tenacious life of the enduring Irish classics this book by one of Irish writing s most eloquent readers offers a brilliant and accessible survey of the greatest works since 1600 in Gaelic and English which together have shaped one of the world s most original literary cultures In the course of his discussion of the great seventeenth and eighteenth century Gaelic poems of dispossession and of later work in that language that refuses to die

Declan Kiberd provides vivid and idiomatic translations that bring the Irish texts alive for the English speaking reader Extending from the Irish poets who confronted modernity as a cataclysm and who responded by using traditional forms in novel and radical ways to the great modern practitioners of such paradoxically conservative and revolutionary writing Kiberd s work embraces three sorts of Irish classics those of awesome beauty and internal rigor such as works by the Gaelic bards Yeats Synge Beckett and Joyce those that generate a myth so powerful as to obscure the individual writer and unleash an almost superhuman force such as the Cuchulain story the lament for Art O Laoghaire and even Dracula and those whose power exerts a palpable influence on the course of human action such as Swift s Drapier s Letters the speeches of Edmund Burke or the autobiography of Wolfe Tone The book closes with a moving and daring coda on the Anglo Irish agreement claiming that the seeds of such a settlement were sown in the works of Irish literature A delight to read throughout Irish Classics is a fitting tribute to the works it reads so well and inspires us to read and read again
