But Daddy Why:

Mr. Gabe Hershel Marise,2022-07-19 This book I pray expresses that the suffering a child endures because of a traumatic childhood does not have to be the determining factor in deciding the outcome of our lives The kind of life trauma a child or anyone goes through should not in any way determine their ability to overcome these traumas and have a productive adult life It is my belief that with a great Creator God and his divine intervention in our lives we as his children will be carried through life s traumatic experiences It is my belief that I and all of humankind were created for a great purpose The writing of this book or its purpose is not to gather sympathy but the opposite to explain that an individual does not have to allow their childhood or economic environment to set the standard for the rest of their lives In my childhood I attempted to subconsciously close myself off mentally or emotionally from what was occurring This denial allowed me a way of surviving through early life I called out to God the great Creator for help and guidance many times Without the help and the great love of God these traumas would probably have killed me from the shock From an early age and throughout my adult life I ve had to find ways to deal with my traumatic past With God and a drifter named Mr Gabe who showed up at all the right times like a guardian angel who seemed to know a lot about the same God my grandmother talked about I did survive throughout these traumas and have lived a relatively good life and achieved challenges that could only have been possible with God s love

American Holidays Alfred Colo,2012-05-31 Herein are distinctly American holidays excluding Christmas and Easter which are global and more universal in nature and much too expansive requiring broader strokes than this shorter treatise can contain in its restricted space Holidays remind our nation of Gods miracles in His plan to fortify us all for lifes daily struggles At Christmas do our thoughts revolve around presents mostly Is Easter only a warm anticipation of Spring and is Thanksgiving the quest for family reunion and a delicious meal Remembering the spiritual origins of such special occasions affords us worship opportunities for Gods goodness to us and to our families friends and to our nation through them we may reflect upon our blessings while celebrating His greatness and bounty Bearing in mind what holidays and vacations mean to our general well being let us exercise our down time wisely as we each year of U S A holidays either head out or from the comfort of home trade places without GPS s high gas or air travel pat downs Do come along then for a free ride down some of my winding roads of personal experiences The Aerend ,1930 *The Homestead* ,1924 **The American Hebrew &**
