Translog, 1974 **Balance of Payments, 1965** United States. Congress. Senate. Committee on Banking and Currency. Subcommittee on International Finance, 1965 **Thirst** Filippo Menga, 2025-07-01 A groundbreaking account of the worsening global water crisis corporations and non profits have failed to address Two billion people worldwide are without access to safe water But solutions are hard to come by when causes are not clearly defined In a whirlwind tour of global water insecurity one of the world s leading experts on water politics chronicles the massive impact of climate change insatiable water demands from industry and agriculture and widespread lack of state investment in infrastructure Menga focuses in particular on high priests of global developmentalism celebrities CEOs and sustainability directors who have emerged as some of the loudest voices about water issues while offering few tangible solutions Thirst shows that if humanity is to escape the deadlock that bedevils access to clean water it has to reconsider both its faith in the market and its relationship with nature **Tariff Hearings** United States. Congress. House. Committee on Ways and Means, 1908
