Centenary Companion To Australian Federation:

The Centenary Companion to Australian Federation Helen Irving, 1999-12-06 Published to mark the centenary of Federation this important book explores Australia's national origins in a comprehensive and accessible way A high calibre team of writers has been gathered to write the first ever comprehensive general history of Federation Starting from the perspective of the individual colonies as they made their way towards membership of the Australian Commonwealth in 1901 the book also provides cross referenced short alphabetical entries covering key events people and concepts It approaches Federation not simply as a formal political story but as a social and cultural process maintaining the relevance of nation making by highlighting ongoing debates about democracy sovereignty and progressive citizenry A major contribution to the Centenary of Federation this book should become a standard reference for scholars students and general readers in the continuing discussions of Australia's future as a nation

The Oxford Handbook of the Australian Constitution Cheryl Saunders, Adrienne Stone, 2018-02-22 Constitutional law provides the legal framework for the Australian political and legal systems and thus touches almost every aspect of Australian life The Handbook offers a critical analysis of some of the most significant aspects of Australian constitutional arrangements setting them against the historical legal political and social contexts in which Australia's constitutional system has developed It takes care to highlight the distinctive features of the Australian constitutional system by placing the Australian system where possible in global perspective The chapters of the Handbook are arranged in seven thematically grouped parts The first Foundations deals with aspects of Australian history which have influenced constitutional arrangements The second Constitutional Domain addresses the interaction between the constitution and other relevant legal systems and orders including the common law international law and state constitutions The third Themes identifies themes of special constitutional significance including the legitimacy of the constitution citizenship and republicanism The fourth Practice and Process deals with practical issues relevant to constitutional litigation including the processes techniques and authority of the High Court of Australia The final three parts deal with the structural building blocks of the Australian Constitutional system Separation of Powers Federalism and the Protection of Rights Written by a team of experts drawn from academia and practice the Handbook provides Australian and international readers alike with a reliable source of knowledge understanding and insight into the Australian Constitution

Responsible Government and the Australian Constitution Benjamin B Saunders, 2023-06-15 This book looks at responsible government under the Australian Constitution It undertakes a detailed examination of the history leading to the incorporation of responsible government into the Constitution examining the political history and constitutional ideas which informed the framers views It draws on this history to develop a theory of responsible government and explore its implications for the interpretation of the Constitution and the structure of modern government in Australia The book fills a major gap in our knowledge of the intellectual background of the Australian Constitution by explaining the constitutional ideas that have shaped the text and

structure of the Australian Constitution It contributes to worldwide debates about constitutional interpretation by showing how rigorous use of history can lead to novel interpretations of constitutions without being tied to the dead hands of the founders

Australian Botanist's Companion Alex S. George,2009 *APAIS, Australian Public Affairs Information Service* ,2000 Vol for 1963 includes section Current Australian serials a subject list

The Wakefield Companion to South Australian History Wilfrid R. Prest,Wilfrid Prest,Kerrie Round,Carol S. Fort,2001 The Wakefield Companion to South Australian History is a one volume guide to events institutions people places themes and topics of significance in the history of South Australia It provides an authoritative and comprehensive source of historical background information presented in readily accessible language and format While paying attention to distinctive innovatory and unusual elements in South Australian history the Companion also underlines the contribution made by South Australians to the broader national culture polity and society The Wakefield Companion to South Australian History is a landmark publication the first such work of reference for any Australian state or territory Compiled by an editorial team based in the University of Adelaide the Companion is a lively wide ranging work that incorporates the latest research findings from an outstanding team of 220 expert authors

Law Society Journal ,2000

Legacies of White Australia Laksiri Jayasuriya,David Robert Walker,Jan Gothard,2003 More than one hundred years after it first appeared in the Immigration Restriction Act 1901 and thirty years after it was reportedly put to rest the so called White Australia policy continues to haunt the Australian political landscape In the new millennium the Tampa incident and controversy surrounding asylum seekers have fuelled renewed speculation about the enduring legacies of White Australia In this volume leading Australian scholars critically re examine a hundred years of White Australia to provide a foundational contribution to an informed debate on the essential issues of race identity and nation that will determine attitudes to immigration multiculturalism and Australian Asian engagement in the twenty first century
