Art Index, 1930 **Fearless Flash** Claudia McCue, 2010-10-04

InDesign CS5 opens the door to a new world with the addition of exciting animation tools and deeper multimedia support It's now a viable interactive authoring tool Designers want to create engaging interactive content but may resist making the transition from page layout to timeline based thinking But now it's much easier InDesign CS5's new interactive features are

intuitive and easy to learn And once they ve mastered those tools in the familiar world of InDesign they ll find that Flash isn t scary after all Designers already know how to add text graphics and geometric shapes to a page in InDesign it s a short walk to adding interactive features Before they know it they re creating Flash content All of Peachpit s eBooks contain the same content as the print edition You will find a link in the last few pages of your eBook that directs you to the media files Helpful tips If you are able to search the book search for Where are the lesson files Go to the very last page of the book and scroll backwards You will need a web enabled device or computer in order to access the media files that accompany this ebook Entering the URL supplied into a computer with web access will allow you to get to the files Depending on your device it is possible that your display settings will cut off part of the URL To make sure this is not the case try reducing your font size and turning your device to a landscape view This should cause the full URL to appear
