## Being Christian Today:

**Being Christian After the Desolation of Gaza** Bruce Norman Fisk, J. Ross Wagner, 2025-08-12 What explains the fervent support among America's Christians for Israel's murderous assault on Gaza's Palestinians? Dying children cry beneath the rubble, doctors testify to atrocities, journalists and medics face sniper fire, experts cry genocide. Jewish Americans decry Israel's ethnic cleansing, protesting college students jeopardize their careers. Yet millions of Americans who profess allegiance to Jesus continue defending the desolation of Gaza or refuse to speak against it. In these essays you will read stories and hear cries from Christians American, Latin American, Jewish, Palestinian who have spent years listening, laboring and praying for a durable, equitable peace between Palestinians and their Jewish neighbors. Their perspectives have formed over years in the land through lingering encounters, hard conversations and troubling personal experiences. Disagree with them if you must, but first hear them out and consider why so many of Israel's Christian partisans have confused a love for the Jewish people with a defense of the apocalypse Israel has unleashed since October 7, 2023. It may be too late to save Gaza's millions from starvation, amputation, displacement and death. Is it too late to repent of our complicity? Too late to save our own souls? How should we be Christian after the desolation of Gaza? Chapter contributors: Mercy Aiken, Yousef Kamal AlKhouri, Daniel Bannoura, Donald D. Binder, Gary M. Burge, David M. Crump, Rob Dalrymple, Anton Deik, Bruce N. Fisk, Suzanne Watts, Henderson, Lisa Loden, Lamma Mansour, Amy Yoder, McGloughlin, Benjamin Norquist, Ruth Padilla, DeBorst and J. Ross Wagner.

**Good Faith** David Kinnaman, Gabe Lyons, 2016-02-23 Many Christians today feel overwhelmed as they try to live faithfully in a culture that seems increasingly hostile to their beliefs. Politics, marriage, sexuality, religious freedom with an ever-growing list of contentious issues, believers find it harder than ever to hold on to their convictions while treating their friends, neighbors, coworkers, and even family members who disagree with respect and compassion. This isn't just a problem that affects individual Christians; if left unaddressed, the growing gap between the faithful and society's tolerance for public faith will have lasting consequences for the church in America. Now the bestselling authors of *unChristian* turn their data-driven insights toward the thorny question of how Christians talk with people they know and love about the most toxic issues of our day. They help today's disciples understand what they believe and why and how to keep believing it without being judgmental and defensive. Readers will discover the most significant trends that offer both obstacles and opportunities to God's people and how not only to challenge culture but to create and renew it for the common good. Perhaps most importantly, David Kinnaman and Gabe Lyons invite fellow Christians to understand the heart behind opposing views and show them how to be loving, life-giving friends despite profound differences. This will be the go-to book for young adult and older believers who don't want to hide from culture but to engage and restore it.

Borg,2014-05-20 On the occasion of his seventieth birthday the renowned scholar Marcus J Borg shares how he formed his bedrock religious beliefs contending that Christians in America are at their best when they focus on hope and transformation and so shows how we can return to what really matters most The result is a manifesto for all progressive Christians who seek the best path for following Jesus today With each chapter embodying a distinct conviction Borg writes provocatively and compellingly on the beliefs that can deeply ground us and guide us such as God is real and a mystery salvation is more about this life than an afterlife the Bible can be true without being literally true Jesus s death on the cross matters but not because he paid for our sins God is passionate about justice and the poor and to love God is to love like God Borg calls all American Christians to reject divisiveness and exclusivity and create communities that celebrate joy possibility and renewal Throughout he reflects on what matters most bringing to earth the kingdom of God Jesus talked about and transforming our relationships with one another Rich in wisdom and insight Convictions is sure to become a classic of contemporary Christianity
