Benefits of Intimate Relationship with God

Know God as who He is

Oftentimes, our view of God is clouded by false perceptions.

Know ourselves as children of God

Most Christians suffer from the orphan-mindset.

Rest in the confidence that His ways are the best

Without trust and rest in Christ, we will strive and chase after empty man-made promises for success.

Find purpose, fulfillment, and contentment

Our purpose starts from Jesus, and it's fulfillment is through Jesus and it ends with Jesus.

Live life with joy, peace, and hope

Without an intimate relationship with God, our life easily falls into hopelessness, chaos, and depression.

Prosper in every area of our life

Our success is the result of hearing and obeying God's voice.

Fruitful in all of co-laboring with God

Our level of abiding in Christ determines our level of fruitfulness.

From the Renaissance to Jansenism* Pierre Pourrat,1927 **Drawing Near** John Bevere,2004 In *Drawing Near* John Bevere urges you not to settle for the dry shadow of Christianity that knows about God without knowing God The incredible invitation from the Creator of the universe is not just to worship Him from afar with words and rituals but to enter a relationship so meaningful and intimate that you know His heart and He knows yours Often we feel God is distant but Bevere says the cause is not God but ourselves Our focus on possessions entertainment and feel good worship form barriers to Him But when we open our lives to Him in humility and obedience He fills us with His Holy Spirit and reveals Himself to us Prayer transforms from a dry one way monologue to a loving dialogue between companions each sharing the deepest secrets of the heart In restoring this intimate relationship with God you will form a loving union with Him that fills your life with joy and passion In this book best selling author John Bevere reveals how Scripture repeatedly declares that God desires a close relationship with us When we draw near to Him we find the presence of His Holy Spirit to be the most energizing exhilarating and transforming experience we have ever known It's hard to want something you don't even know is missing Sadly many of us settle for a bland religion of the mind missing out on the burning ecstasy of intimacy with God We ignore God's holiness expecting to be filled with His Spirit without cleansing our lives in order to receive Him But we were created for intimate fellowship with God *Drawing from his own journey* Bevere shows us the way to rewarding companionship with God Instead of a set of mechanical instructions he gives us a treasure map pointing to God's heart Intimacy can never become a step by step process Bevere explains Rather it is yielding to the entreaty of the greatest lover in the universe and entering an intimate passionate relationship of oneness with Him Book jacket *Prayer: Intimacy with God* Virginia Echols-Harrison,2014-04 Having an intimate relationship with someone is not always easy to accomplish for being intimate

requires humility and vulnerability. Consequently, too many pass by the opportunity to develop such a liaison. However, being intimate with God should not strike any of us as surprising or out of the ordinary for if we are His followers, He calls us His bride. What could call forth greater intimacy than that? However, if we are going to intercourse with God, we had better be ready to share with Him our lives that includes both bad and good. Therefore, I invite you to come and take a walk with me through the pages of this passionately exciting revelation of how we can truly draw near to God and become closer to Him than to our own spouse. It is an awesome experience. *Friends of God* Paul J. Wadell, 1991. Unlike many studies of Thomistic ethics, this book argues that Aquinas' treatise on the virtues cannot be read apart from his description of charity as friendship with God. For Aquinas, all the virtues stand in service of friendship with God and take their meaning from that love. But what makes this book especially original is the author's contention that the primacy of charity also discloses a relationship between the virtues and the passions, as well as the virtues and the Gifts of the Spirit, that is seldom noted in studies of Aquinas' ethics. Centering on charity as friendship with God, *Friends of God: Virtues and Gifts in Aquinas* is a fresh and insightful study of Aquinas' unique vision of the moral life.
