Belasets Daughter:

Belaset's Daughter Feona J. Hamilton, 2001 England 1264 as Simon de Montfort and his fellow Barons challenge Henry III's arrogance the country moves inexorably towards civil war In the little town of Lewes in Sussex Judith daughter of Belaset seizes the opportunity to strike one last blow against de Montfort before her wedding to Aaron of London as revenge for the massacre of her family A trusted messenger between the King and his loyal followers she agrees to act as go between for King Henry and William Foville Prior of St Pancras In Lewes Castle built when the Conqueror gave the land to William de Warenne Jervis FitzHugh squire to William's descendant John longs for adventure and for the hand of Madeleine de Tourney Judith Aaron Jervis and Madeleine all become closely intertwined in a way that none of them could have foreseen Far from a simple journey to France and back Judith finds herself facing danger and deceit as de Montfort's followers do all they can to prevent the message getting through Help comes from the King's supporters in England and in France and from other more unexpected quarters When the inevitable happens and the Battle of Lewes is fought Judith's work is done **The Palgrave Encyclopedia of Medieval Women's Writing in the Global Middle Ages** Michelle M. Sauer, Diane Watt, Liz Herbert McAvoy, 2026-02-02 This is the first encyclopedia devoted exclusively to medieval women's writing globally Focusing on the thousand year period between 500-1500 this comprehensive reference work addresses a long standing gap in scholarship on women writers from this period It challenges current understandings of the literary tradition of women by incorporating early writers and texts that remain marginal and by expanding definitions of textual composition to include more collaborative and contextual activities This encyclopedia also presents women in the context of the global Middle Ages Entries extend beyond works written in England Scotland Ireland and Wales to include works by women from Europe Africa and Asia By locating medieval women's writing within its cultural social religious and political contexts The Palgrave Encyclopedia of Medieval Women's Writing in the Global Middle Ages will be an ideal entry point for students and researchers coming into the field and a valuable resource for established scholars Starrs and Jewish Charters Herbert Loewe, William Page, Archibald Jackson, Jewish Historical Society of England, 1930 **Calendar of the Plea Rolls of the Exchequer of the Jews Preserved in the Public Record Office** Great Britain.
