Believe It Again:

Believe again Dr. Johane Harrigan, 2025-07-08 Life is unfair and due to that people encounter uncertainty daily on their activities that often disrupt their beliefs systems I firmly know Believe Again will encourage them with some effective mechanisms on their paths People may provide different strategies that may help yet we must remember Jesus is saved and He is the way Solely the truth will set us free and we can only find that in His word God's grace and mercy provide many stools that can help us along the journey As a Pastor and a Mom One of my favorite desires is to continue God's mission to everyone who is lost in pain and help them to find their ways to Christ Jesus faithfully Believe Again will help you improve your relationship with God and inspire you to fellowship with the body of Christ to do His will If you want to spend eternity in paradise with the Lord I encourage you to believe again And He will show you the way One thing we must remember is the power of God's word is living and active comes from Hebrews 4:12 in the Bible which describes God's word as a powerful force that is sharper than any two edged sword and able to discern the deepest thoughts and intentions of the heart This suggests that God's word is not just a set of teachings but a dynamic and transformative power that can penetrate to the core of one's being and bring about change Here's a more detailed explanation Living and Active The phrase highlights the dynamic nature of God's word It's not static or dormant but alive and working possessing power and energy to impact lives Sharper Than Any Two Edged Sword In essence Hebrews 4:12 describes God's word as a powerful transformative force that is alive active and capable of penetrating deeply into the human heart exposing and judging thoughts and intentions [Dare to Believe Again](#) Kathleen Hardaway, 2017-03-21 Be the person who doesn't just dream dreams but actually lives them Everyone has a dream but far too many settle for the status quo Death to a dream can cause death to the life you were possibly meant to live but it's never too late to begin again and dare to believe again Dare to Believe Again will give you step by step guidelines for living an audacious adventurous life when abandoned to God's call It also includes The Dream Plan guide powerful life changing stories biblical instruction and challenging questions it is perfect for individuals or groups Fan the embers of your dreams into a blazing fire of reality **Begin Again, Believe Again** Sharon A. Hersh, 2010-10-19 Our hearts as women were made by God for relationships Why is it then that the thing we most deeply desire relationships becomes the source of so much pain Difficult marriages the loneliness of being single problem children abusive employers fractured friendships life's realities are often very different from the dreams we dreamed for ourselves as girls How do we live with this beautiful ache for relationships in a world that doesn't always work When we've been betrayed how do we trust again When we've been disappointed how do we hope again When we've been terribly hurt how do we love again In this honest intimate and transformative book counselor Sharon Hersh helps you gain a new truly biblical perspective on relationships that can help you endure the heartaches and still come up living wholeheartedly loving with abandon and daring to hope and believe The stories of the women in this book including that of the author are signposts that point you

beyond the sometimes devastating problems of life to the deep rich reason and root of all relationships both good and bad God's desire for relationship with you In Sharon's words Relationships are not the destination they are the path to something more *Believe Again: a Journey Back to Faith* Andrew Johnson,2010-10-20 This book was written for those who have left their Christian faith or who have become what Bishop John Shelby Spong calls believers in exile It also speaks to those who are questioning their current Christian faith It describes a mystical view of Christianity that incorporates Gnosticism quantum physics shamanism cognitive psychology Jungian psychology and biblical scholarship At the end of each chapter are prompts questions and activities that invite readers to make personal connections with the ideas presented These are designed to be recorded in a journal This book can be used with a book club a study group or individually It will be a tool for your spiritual growth and renewal
