Believe Not 15:

A Brief Concordance or Table to the Bible ... Carefully perused and enlarged by John Downname, 1732 **A Complete Concordance to the Book of Mormon** George Reynolds, 1900 Proceedings West Virginia Coal Mining Institute, 1909 **Bodies in Early Modern Religious Dissent** Elisabeth Fischer, Xenia von Tippelskirch, 2021-05-30 In early modern times religious affiliation was often communicated through bodily practices Despite various attempts at definition these practices remained extremely fluid and lent themselves to individual appropriation and to evasion of church and state control Because bodily practices prompted much debate they serve as a useful starting point for examining denominational divisions allowing scholars to explore the actions of smaller and more radical divergent groups The focus on bodies and conflicts over bodily practices are the starting point for the contributors to this volume who depart from established national and denominational historiographies to probe the often ambiguous phenomena occurring at the interstices of confessional boundaries In this way the authors examine a variety of religious living conditions socio cultural groups and spiritual networks of early modern Europe and the Americas The cases gathered here skillfully demonstrate the diverse ways in which regional and local differences affected the interpretation of bodily signs This book will appeal to scholars and students of early modern Europe and the Americas as well as those interested in religious and gender history and the history of dissent **The Churchman's Family Bible**, 1883 Herapath's Railway Magazine, Commercial Journal, and Scientific Review, 1849 **A Complete Concordance to the Holy Scriptures** Alexander Cruden, 1858 **Parliamentary Papers** Great Britain.
