Young, 2005-02-03 *Peril in Paris* Rhys Bowen, 2023-10-03 Lady Georgiana Rannoch and her dashing husband Darcy are awaiting a bundle of joy but an unexpected trip to Paris will thrust them straight into a tangled web of international intrigue in the next mystery of the New York Times bestselling Royal Spyness series from Rhys Bowen What a delight it is to finally be able to enjoy a simple meal again I have been in the throes of morning sickness for the last few months as Darcy and I prepare to welcome a brand new addition to our little family Now that I am feeling better I have realized I am dreadfully bored Happily it seems that Darcy has read my mind When I receive a letter from my glamorous best friend Belinda Darcy suggests we take a trip to Paris to visit her It seems he also has a spot of business to take care of so I will be staying in Belinda's flat as she works feverishly on Coco Chanel's fall collection I happen to know Coco from a disastrous encounter in Nice years ago and I am hoping this visit will go much more smoothly But I soon learn that nothing about my time in Paris is going to be simple or safe for that matter Darcy has asked me to take on a small chore as a part of his latest assignment I am to covertly retrieve something from an attendee of Coco's show It seems easy enough but I discover that this little errand could have terrifying consequences for a world on the brink of war When things go horribly wrong I am left to find a killer all while trying to fend off a French policeman who is certain that I am a criminal mastermind But I have no plans to deliver my darling little one in a prison cell and so I will muster every ounce of my courage to save the day and quite possibly the world
