Garland, 2008-06 Thousands of books have been written about World War II Most have dealt with the War s historical aspects strategies or the heroism and outstanding acts of the men who did the fighting 1945 is not about heroes In fact it is not about men its primary characters are boys By 1944 every man in his twenties or thirties had already been conscripted Subsequently almost all draftees at this stage of the war were eighteen years of age To put this in perspective in today s world they would not be considered sufficiently mature to buy a can of beer or pack of cigarettes No parent likes to see his son go to war but these were children In January 1945 everyone knew the war didn t have long to go and just as tension mounts towards the end of a race anxiety and impatience became people s primary reactions to the news each day Readers of this book will gain insight of the heretofore little told and appreciated emotions of the men in the Armed Forces and their families at home hope fear and prayers that it all would end before something tragic happened to a loved one who had been lucky enough to survive to this point     St. Nicholas , 1904     The Canadian Magazine J. Gordon Mowat, John Alexander Cooper, Newton MacTavish, 1897     *Ladies' Home Companion* , 1927     **Love Finds a Home (Love Comes Softly Book #8)** Janette Oke, 2004-02-01 Compelled to leave obliged to stay Should she follow her head or her heart Belinda Davis s move to Boston had introduced her to a life she never could have imagined growing up in the West But even the opportunities of wealth literature and travel left her feeling empty Realizing her faith had been pushed into the background she once again invites God to have first place in her life But now she faces new life decisions that seem even more difficult than before Torn between two contrasting ways of life one full of fascinating opportunities in the East and one represented by the beloved farm home in which she was raised she clings to the principles that are her parents legacy faith love and family The final book in Janette Oke s beloved Love Comes Softly saga     **P.T. Mudd in the Land of Lies** David Charnee, 2007-10 P T Mudd is a boy with an active imagination who loves to tell tall tales But his wildest stories become reality when he discovers a magical stone that transports him to Muddlia a land where he becomes the crown prince There s only one problem everyone in Muddlia believes everything they re told So they naturally believe P T when he tells them that

he is the greatest hero in the world and they also trust him when he says that the Ultimate Evil of the Universe Blotto Ratspaw is putting together an army on the edge of their fair land Although the people of Muddlia have never known war they follow P T s advice to create their own army to save Muddlia from Ratspaw Joined by new friends Chicki Baby a big blue talking chicken and Belinda Bosh a girl his own age who dreams of being a great champion P T leads the trusting Muddlians off to war As P T boldly leads his loyal subjects things begin to go terribly wrong Unexpectedly P T and his army are fighting against a very real very nasty enemy Now P T must make an awful choice Will he save the innocent Muddlians or think only of himself and escape back to home and safety *Truth* ,1903
