Roach,2016-03-31 Find your one true love and live happily ever after The trials of love and desire provide perennial story material from the Biblical Song of Songs to Disney s princesses but perhaps most provocatively in the romance novel a genre known for tales of fantasy and desire sex and pleasure Hailed on the one hand for its women centered stories that can be sexually liberating and criticized on the other for its emphasis on male female coupling and mythical happy endings romance fiction is a multi million dollar publishing phenomenon creating national and international societies of enthusiasts practitioners and scholars Catherine M Roach alongside her romance writer alter ego Catherine LaRoche guides the reader deep into Romancelandia where the smart and the witty combine with the sexy and seductive to explore why this genre has such a grip on readers and what we can learn from the romance novel about the nature of happiness love sex and desire in American popular culture **Catalog of Copyright Entries.
