**Dinah-Maria Craik**

## **Beloved Legacy:**

The Legacy of John Tuomas Rasimus,2010 This volume investigates the early second century reception of the Fourth Gospel This is an era when its fortunes are surrounded by silence and mystery It was assumed until quite recently that Gnostic and other so called heterodox groups were the first ones to appreciate this gospel and hence the mainstream Christians avoided using it until Irenaeus rescued it for the church Lately this view has been challenged by several scholars for several reasons The contributions in this volume written by leading specialists in their respective fields offer an approachable fresh comprehensive and up to date view of the second century reception of John s Gospel in a situation where new understandings about various forms of early Christianity and its multiformity have started to emerge The Spiritual Legacy of Henri Nouwen Deirdre LaNoue,2000-10-01 In 1969 the year following the death of Thomas Merton Henri Nouwen published his first book Who reading Intimacy Essays in Pastoral Psychology at the time could have guessed that its 37 year old Dutch priest author would become one of the most popular spiritual writers of the 20th century Unlike Merton whose strictly spiritual writings appealed almost exclusively to Roman Catholics Nouwen had an enormous following among Protestants as well as Catholics What was it about this man and his work that so resonated with the American psyche over the past thirty years In The Spiritual Legacy of Henri Nouwen Deidre LaNoue analyzes Nouwen s voluminous writings in the context of his life and times providing a key to his more than forty individual books as well as a cogent summary of his contribution to the spiritual lives of millions of people The book includes a complete bibliography of Nouwen s writings as well as a Scripture index of his books **The Legacy of Muslim Spain** Salma Khadra Jayyusi,Manuela Marín,1992 The civilisation of medieval Muslim Spain is perhaps the most brilliant and prosperous of its age and has been essential to the direction which civilisation in medieval Europe took This volume is the first ever in any language to deal in a really comprehensive manner with all major aspects of Islamic civilisation in medieval Spain **The Christian's Legacy** William Jackson,1873 **Inspire Justice: 365-day Devotional on Poverty and Justice** ,2012 **A Legacy** Dinah-Maria Craik,1878 **The Kentucky Law Reporter** John Cleland Wells,Edward Warren Hines, Frank L. Wells,Horace C. Brannin,William Cromwell,William Pope Duvall Bush,William Jefferson Chinn,Findlay Ferguson Bush,Walter G. Chapman,R. G.
