Beloved Physician:

The Beloved Physician Loammi Goodenow Ware,1882 **Beloved Physician** Al Lacy,Joanna Lacy,2009-02-04 They say I do and only death shall part them Back from their honeymoon Dr Dane and Tharyn Logan eagerly assume the reins of the medical practice in a small Colorado mining community Dane s selfless heroism quickly earns him a fine reputation among the townsfolk But the hardship and danger of the West strike home when a band of renegade Utes captures Thayrn s dear friend Melinda Will hope survive after Melinda s friends and fianc have given her up for dead Story Behind the Book When the challenge of the Western frontier began luring men and women westward from the eastern northern southern and midwestern states in the mid nineteenth century they found a land that was beyond what they had imagined Wherever they settled from the wide Missouri River to the white foamed shores of the Pacific Ocean they clung to the hope of a bright new beginning for their lives Often their hopes were dashed by fierce opposition from the Indians who had inhabited the land long before them At times there was also struggle for survival against the hard winters and the loneliness of the vast frontier
