**Books in Print** ,1987 **Drama Criticism** Lawrence J. Trudeau,1994 Criticism of the most significant and widely studied dramatic works from all the world's literatures **Ben Jonson** Ben Jonson,Helen Ostovich,2014-06-11 This edition of Ben Jonson's four middle comedies places the works in the popular history and culture of the times 1605-1614 and surveys the influences both classical and contemporary on Jonson as a playwright On the page annotations recreate the audience's perception of the plays as performances by commenting on the stage directions the self-conscious theatricality of characters and scenes and the vivid colloquialisms of early modern London that give the dialogue a heightened dimension of realism Brief introductions to each play discuss the local settings sources theatre history and further readings The general introduction includes a biography of Jonson a chronology of the plays and masques and separate essays on each play dealing particularly with Jonson's satirical treatments of trends and shams of the day whether political social commercial or spiritual

**Printing and Parenting in Early Modern England** Douglas A. Brooks,2017-05-15 The relation between procreation and authorship between reproduction and publication has a long history indeed that relationship may well be the very foundation of history itself The essays in this volume bring into focus a remarkably important and complex phase of this long history In this volume some of the most renowned scholars in the field persuasively demonstrate that during the early modern period the awkward incomplete transition from manuscript to print brought on by the invention of the printing press temporarily exposed and disturbed the epistemic foundations of English culture As a result of this cultural upheaval the discursive field of parenting was profoundly transformed Through an examination of the literature of the period this volume illuminates how many important conceptual systems related to gender sexuality human reproduction legitimacy maternity kinship paternity dynasty inheritance and patriarchal authority came to be grounded in a range of anxieties and concerns directly linked to an emergent publishing industry and book trade In exploring a wide spectrum of historical and cultural artifacts produced during the convergence of human and mechanical reproduction of parenting and printing these essays necessarily bring together two of the most vital critical paradigms available to scholars today gender studies and the history of the book Not only does this rare interdisciplinary coupling generate fresh and exciting insights into the literary and cultural production of the early modern period but it also greatly enriches the two critical paradigms themselves Sejanus his fall ; Volpone: or, The fox ; Epiccene: or, The silent woman Ben Jonson,William Gifford,1875 Drama Criticism: A checklist of interpretation since 1940 of English and American plays Arthur Coleman,Gary R.
