Beneath All Voices:

Death of Virgil Hermann Broch, 2012-01-11 It is the reign of the Emperor Augustus and Publius Vergilius Maro the poet of the Aeneid and Caesar's enchanter has been summoned to the palace where he will shortly die Out of the last hours of Virgil's life and the final stirrings of his consciousness the Austrian writer Hermann Broch fashioned one of the great works of twentieth century modernism a book that embraces an entire world and renders it with an immediacy that is at once sensual and profound Begun while Broch was imprisoned in a German concentration camp The Death of Virgil is part historical novel and part prose poem and always an intensely musical and immensely evocative meditation on the relation between life and death the ancient and the modern **The Death of Virgil** Hermann Broch, 1976 [The Flower of Paradise](#) David J. Rothenberg, 2011-10-05 In spite of their widely disparate uses Marian prayers and courtly love songs from the Middle Ages and Renaissance often show a stylistic similarity This book examines the convergence of these two styles in polyphonic music and its broader poetic artistic and devotional context from c 1200 c 1500 **The Death of Virgil -**

Hermann Broch Hermann Broch, 2024-03-15 Hermann Broch born on November 1 1886 in Vienna Austria and died on May 30 1951 in New Haven Connecticut was an Austrian writer one of the greatest modernist writers of all time Nominated for the Nobel Prize in Literature Hermann Broch is a novelist of the stature of Joyce and Proust The Death of Virgil is considered by many as his masterpiece The novel recreates the last day of the poet Virgil's life hours during which he considers destroying the Aeneid and reflects on his life dedicated to art The Death of Virgil is part of the famous collection 1001 Books You Must Read Before You Die **Faulkner and Slavery** Jay Watson, James G. Thomas Jr., 2021-05-28 Contributions by Tim

Armstrong Edward A Chappell W Ralph Eubanks Amy A Foley Michael Gorra Sherita L Johnson Andrew B Leiter John T Matthews Julie Beth Napolin Erin Penner Stephanie Rountree Julia Stern Jay Watson and Randall Wilhelm In 1930 the same year he moved into Rowan Oak a slave built former plantation home in his hometown of Oxford Mississippi William Faulkner published his first work of fiction that gave serious attention to the experience and perspective of an enslaved individual For the next two decades Faulkner repeatedly returned to the theme of slavery and to the figures of enslaved people in his fiction probing the racial economic and political contours of his region nation and hemisphere in work such as The Sound and the Fury Light in August Absalom Absalom and Go Down Moses Faulkner and Slavery is the first collection to address the myriad legacies of African chattel slavery in the writings and personal history of one of the twentieth century's most incisive authors on US slavery and the long ordeal of race in the Americas Contributors to the volume examine the constitutive links among slavery capitalism and modernity across Faulkner's oeuvre They study how the history of slavery at the University of Mississippi informs writings like Absalom Absalom and trace how slavery's topologies of the rectilinear grid or square run up against the more reparative geography of the oval in Faulkner's narratives Contributors explore how the legacies of slavery literally sound and resound across centuries of history and across multiple novels and stories in Faulkner's fictional county of

Yoknapatawpha and they reveal how the author's remodeling work on his own residence brought him into an uncomfortable engagement with the spatial and architectural legacies of chattel slavery in north Mississippi. Faulkner and Slavery offers a timely intervention not only in the critical study of the writer's work but in ongoing national and global conversations about the afterlives of slavery and the necessary work of antiracism.
