

BENEDICT ARNOLD

Willard Sterne Randall

Benedict Arnold Patriot And Traitor

Dave Richard Palmer

Benedict Arnold Patriot And Traitor:

Benedict Arnold Willard Sterne Randall,2003 Benedict Arnold s name has become synonymous with the word traitor but Arnold s legend neglects the fact that Arnold was an outstanding military leader and had several important victories against the British in the early days of the American Revolution This volume presents portrait of the man giving the reader an understanding of Arnold s motives for betraying the country for which he had once fought so diligently *Benedict Arnold* Ann Gaines,2000 Describes the life and times of Benedict Arnold giving a glimpse into the man whose name became synonymous with the word traitor *Benedict Arnold* Pamela Dell,2000-09 Profiles the life of the man who betrayed his country and became known as a traitor **Benedict Arnold** Oscar Sherwin,1972-01-01 [Benedict Arnold](#) Oscar Sherwin,2013-10 This is a new release of the original 1931 edition **Benedict Arnold** Oscar Sherwin,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Benedict Arnold, Patriot and Traitor, Etc. [With Plates, Including Portraits.]** Oscar SHERWIN,Benedict ARNOLD,1931 [Benedict Arnold, Patriot and Traitor. Illustrated. \[With Portraits and a Bibliography.\]](#) Oscar Sherwin,1931 **Benedict Arnold Patriot Turned Traitor** , *The Patriot Traitor: the Life and Legacy of Benedict Arnold* Charles River Charles River Editors,2013-08-24 Explains Arnold s achievements for the Americans his treason and how he has been remembered Includes pictures of Arnold and important people places and events in his life Neglected by Congress below distressed with the small pox want of Generals and discipline in our Army which may rather be called a great rabble our credit and reputation lost and great part of the country and a powerful foreign enemy advancing upon us are so many difficulties we cannot surmount them Benedict Arnold On October 7 1777 Benedict Arnold rode out against orders and led an American assault against British forces led by General John Burgoyne in one of the climactic battles of the Revolution at Saratoga the ultimate turning point of the war Near the end of the most important American victory of the Revolution Arnold s leg was shattered by a volley that also hit his horse which fell on the leg as well Arnold would later remark that he wish the shot had hit him in the chest If it had Benedict Arnold would be remembered as one of America s greatest war heroes and probably second only to George Washington among the generals of the Revolution In fact when Arnold was injured at the height of his success in October 1777 he had been the most successful leader of American forces during the war Arnold had been instrumental in the seizure of Fort Ticonderoga in 1775 he constructed the first makeshift American navy to defend Lake Champlain and delay British campaigning in 1776 and he was the principal leader at Saratoga in 1777 Even his unsuccessful campaign to Quebec in the winter of 1775 is remembered primarily for the amazing logistical feats undertaken by Arnold and his men to even reach the target History has accorded Arnold his fair share of credit for the

fighting he participated in from 1775-1777. The problem is his contemporaries did not. Arnold was better on the field than any other American general in those years but his mercurial personality rubbed some the wrong way and other self-promoting generals from Ethan Allen to Horatio Gates credited themselves with success at Arnold's expense. Meanwhile the Second Continental Congress frequently if inadvertently slighted Arnold, failing to duly promote him in a timely fashion and failing to pay him four years of back pay even as he spent his own private fortune training, equipping and feeding his army and navy. Historian William Sterne Randall estimates Congress shorted Arnold out of the equivalent of 275,000. Today of course all of that has been overshadowed by Arnold's treacherous plot to turn over West Point to the British in 1780. The infamous plot came about while Arnold convalesced as the military governor in Philadelphia where he met and married the Tory-affiliated Peggy Shippen. Arnold grew more concerned about the patriot cause and combined with the perceived insults, exposure to Loyalist leanings and another Congressional rebuke for living extravagantly in Philadelphia, Arnold decided to secretly offer his services to the British. As every American knows, Arnold's plot was uncovered and he barely escaped to the British side where he was just as distrusted and nearly as despised. Though he would serve as a brigadier general for the British through the end of the war, his personal fortune and reputation were permanently tarnished. The man who could have been one of his country's greatest heroes became its most despised traitor.

The Patriot Traitor: The Life and Legacy of Benedict Arnold chronicles Arnold's life and military career but it also humanizes the man and offers an objective look at Arnold's treachery and plot in an effort to separate fact from legend. Along with pictures of important people, places and events in his life, you will learn about Arnold like you never have before in no time at all. **Benedict Arnold** Dr. Walter L. Powell, 2003-08-15

Biography of the Revolutionary War patriot that turned traitor and fought for the British against the colonists. [Patriot Soldier Traitor, the Story of Benedict Arnold](#) George H. Burns, 1950

George Washington And Benedict Arnold Dave Richard Palmer, 2006-08-01

From 1775 through 1777, George Washington and Benedict Arnold were America's two most celebrated warriors. Their earlier lives had surprisingly parallel paths. They were strong leaders in combat, they admired and respected each other and they even shared common enemies. Yet one became our greatest hero and the other our most notorious traitor.

Why Presenting the panorama of the Revolutionary War through the lives of two of its most colorful and important figures, George Washington and Benedict Arnold reveals important lessons for today through a story that few Americans know but that every American should.

Spies, Patriots, and Traitors Kenneth A. Daigler, 2014-04-23

Students and enthusiasts of American history are familiar with the Revolutionary War spies Nathan Hale and Benedict Arnold but few studies have closely examined the wider intelligence efforts that enabled the colonies to gain their independence. *Spies, Patriots and Traitors* provides readers with a fascinating, well-documented and highly readable account of American intelligence activities during the era of the Revolutionary War from 1765 to 1783 while describing the intelligence sources and methods used and how our Founding Fathers learned and practiced their intelligence role. The author, a retired CIA

officer provides insights into these events from an intelligence professional's perspective highlighting the tradecraft of intelligence collection counterintelligence and covert actions and relating how many of the principles of the era's intelligence practice are still relevant today Kenneth A Daigler reveals the intelligence activities of famous personalities such as Samuel Adams George Washington Benjamin Franklin Nathan Hale John Jay and Benedict Arnold as well as many less well known figures He examines the important role of intelligence in key theaters of military operations such as Massachusetts New York New Jersey Pennsylvania and in General Nathanael Greene's campaign in South Carolina the role of African Americans in the era's intelligence activities undertakings of networks such as the Culper Ring and intelligence efforts and paramilitary actions conducted abroad *Spies Patriots and Traitors* adds a new dimension to our understanding of the American Revolution The book's scrutiny of the tradecraft and management of Revolutionary War intelligence activities will be of interest to students scholars intelligence professionals and anyone who wants to learn more about this fascinating era of American history

Traitor: The Case of Benedict Arnold Jean Fritz, 1997-05-19 Benedict Arnold always carried things too far As a boy he did crazy things like climbing atop a burning roof and picking a fight with the town constable As a soldier he was even more reckless He was obsessed with being the leader and the hero in every battle and he never wanted to surrender He even killed his own horse once rather than give it to the enemy Where did the extremism lead Arnold To treason America's most notorious traitor is brought to life as Jean Fritz relays the engrossing story of Benedict Arnold a man whose pride ambition and self-righteousness drove him to commit the heinous crime of treason against the United States during the American Revolution A highly entertaining biography illuminating the personality of a complex man Horn Book A gripping story As compelling as a thriller the book also shines as history Publishers Weekly An ALA Notable Book A New York Times Book Review Notable Book of the Year A School Library Journal Best Book of the Year An ABA Pick of the Lists A Horn Book Fanfare Title

The Real Benedict Arnold Jessica Gunderson, 2019-08 Benedict Arnold may be the most prominent villain in United States history But was he the truly evil man that American folklore has made him out to be In the beginning of the American Revolution he was a staunch patriot and military hero but by the end of the war his frustration led him to betray his nation The bad reputation that resulted has lived on in infamy

Benedict Arnold Jessica Gunderson, 2013-07 Describes Benedict Arnold's actions during the Revolutionary War and his betrayal of the Patriot cause

Benedict Arnold Norma Jean Lutz, 1999-09 A biography of the infamous traitor who sold secret military information to the British army during the American Revolution

The Tragedy of Benedict Arnold Joyce Lee Malcolm, 2018-05-01 History remembers this proud talented and conflicted man solely through the lens of his last desperate act of treason Yet the fall of Benedict Arnold remains one of the Revolutionary period's great puzzles Why did a brilliant military commander who repeatedly risked his life fighting the British who was grievously injured in the line of duty and fell into debt personally funding his own troops ultimately become a traitor to the patriot cause Throughout Malcolm weaves in portraits of Arnold's great allies George Washington

General Schuyler his beautiful and beloved wife Peggy Shippen and others as well as his unrelenting enemy John Adams British General Clinton and master spy John Andre Thrilling and thought provoking The Tragedy of Benedict Arnold sheds new light on a man as well on the nuanced and complicated time in which he lived **The First American Army** Bruce Chadwick Chadwick,2006-10-01 This is the first book that offers a you are there look at the American Revolution through the eyes of the enlisted men Through searing portraits of individual soldiers Bruce Chadwick author of George Washington s War brings alive what it was like to serve then in the American army With interlocking stories of ordinary Americans he evokes what it meant to face brutal winters starvation terrible homesickness and to go into battle against the much vaunted British regulars and their deadly Hessian mercenaries The reader lives through the experiences of those terrible and heroic times when a fifteen year old fifer survived the Battle of Bunker Hill when Private Josiah Atkins escaped unscathed from the bloody battles in New York and when a doctor and a minister shared the misery of the wounded and dying These intertwining stories are drawn from their letters and never before quoted journals found in the libraries belonging to the camps where Washington quartered his troops during those desperate years

Decoding **Benedict Arnold Patriot And Traitor**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
