Benefit Dependency How Welfare Undermines Independence Choice In Welfare S:

Benefit Dependency David G. Green,1998 **Benefit Dependency** David George Green,1998 **Conceptualising Community** D. Studdert,2005-12-06 Community is the dark shadow of sociology an issue around which sociologists always duck and dive This book examines the reasons for this reticence through an exegesis of contemporary debates Additionally it utilizes the work of Hannah Arendt to propose an alternative anti mechanistic and anti essentialist approach to community and sociality an approach that not only moves beyond Foucault and his oppositional work but also offers perhaps the basis for a different approach to politics

Resilience in Childhood Erica Joslyn,2015-12-01 With an emphasis on promoting self reliance autonomy and independence this exciting new book provides a contemporary and holistic analysis of the childhood resilience It recognises resilience in childhood as a complex construct critically deconstructs it by drawing upon a wide range of academic disciplines and practices and provides an account of the factors that help and hinder the development of resilience during childhood and adolescence Part I unpacks definitions of resilience and its construction over the last 50 years Part II examines psychological sociological and neurobiological perspectives that contribute to our understanding of how childhood resilience can be developed and fostered Part III explores strategies and approaches relating theory to current intervention practice and policy drivers Application to professional practice within a multi agency context is explored throughout Importantly this book seeks to develop the notion of the promise of resilience and establish the bond between capabilities built up in childhood and the promise of a positive successful future Efforts to foster and build effective skills that lead to resilience will result in long lasting abilities to positively navigate through life s challenges and to become the key architect of one s own success in later life

The Right to Work Virginia Mantouvalou,2015-01-22 This book addresses the uncertainty and controversy that surrounds the right to work both in theoretical scholarship and in policy making It discusses the philosophical underpinnings of the right to work and its development in human rights law

The International Business Environment Leslie Hamilton,Philip Webster,2012-01-19 The International Business Environment Second Edition prepares students for the realities of global twenty first century business Building on the success of the previous edition it employs a wide range of examples from BRIC and CIVETS economies and offers chapters on CSR the ecological environment and corporate social responsibility Authors Leslie Hamilton and Philip Webster discuss the process of globalization the global economy and the impact of that economy on international business organizations Using a PESTLE framework they analyze the economic political legal financial technological socio cultural and ecological environments clearly outlining the factors that affect the everyday business of organizations Adopting a truly international approach this full color visually engaging text features a wealth of examples and case studies Each chapter begins and ends with a one page case study and fifty additional mini cases address such compelling issues as civil unrest in North Africa the Japanese earthquake and tsunami Wikileaks and Google in China Organizations including BP Dell Domino s Pizza Apple and Procter Gamble are featured

throughout the book A Companion Website offers numerous resources for students and instructors

The Promise of the Third Way O. Newman, R. De Zoysa, Richard De Zoysa, 2001-05-16 Aiming to transcend the outdated conflict between Left and Right the Third Way was welcomed by leading figures on the world stage Its programme of modernisation flexibility and community regeneration indicated a way forward for the New Age Within a firm market emphasis equality of opportunity and social inclusion were given a prominent place However its lack of direction and disinclination to face hard decisions have left its promise unfulfilled This book puts forward a rigorous rethinking towards making the Third Way an effective instrument of progress for Britain as well as abroad
